

Facts You Won't Hear Watching TV

By Syndicated Columnist Cathy Harris

Feb. 22, 2021

The 2020 Great Awakening... DON'T MISS THE GREATEST SHOW ON EARTH...

If you have been sleep for the past year – catch up with these amazing facts that you won't hear on TV. The Truth Will Set You FREE...

-HOLLYWOOD TRANSGENDER AGENDA: Hollywood runs Academia and the Media. All Hollywood and Entertainers...including Actors, Singers, Rappers, Dancers, many Secretaries of States, Mayors, Governors, Congressmen, Senators, and other politicians, some of the Newscasters, and many Sports Figures are inverted. They were born the opposite sex but have been living their life as the other sex and this has been occurring since the Shakepearean days. Many were changed in the womb with hormones. All the men are women and all the women are men especially in Hollywood. The question is... do we want this to continue? This is doing nothing but feminizing men and causing young people to be confused and depressed.

-ME TOO MOVEMENT: All the women in the #MeToo Movement were men. #Transgenders. According to the media, Harvey Weinstein raped over 100 women. So who did Harvey Weinstein rape if all the women in Hollywood are men?

-HOLLYWOOD, NFL, NBA, etc.: All the Hollywood men, the NFL, NBA, and other Sports Figures has to drag a man around as a lover or mate. It is called #BuckBreaking, but there is a good chance also that many of the men were actually born women #Transgenders. The two quarterbacks in the last Superbowl were women. Tom Brady even has a C-section scar.

-OPRAH WINFREY: All those who committed Crimes Against Humanity i.e. Oprah Winfrey... got their assets seized and it will all be coming back to humanity with Nesara/Gesara, according to 1221 Executive Order...Seizure of assets for Crimes Against Humanity. Oprah allowed her Boca Raton home to be used to traffic children. She is part of PizzaGate and wears the red #DevilRing like her counterparts including Congresswoman Shelia Jackson Lee. She even wore a dress with the pedophile symbol on it. Yes, Gayle her bestie is also guilty and they both are men. #Transgenders.

-COLIN KAEPERNICK: Colin Kaepernick, who was born a female, was brought on the scene to take the attention off all the Child Pedophilia and Satanic Cult arrests over the past 4 years. He/she was nothing but a Weapon of Mass Distraction (WMD).

-JAZ Z AND BEYONCE: Jay Z is a woman and Beyonce is a man and Blue Ivy was born a male. Many are saying because Jay Z gained a lot of weight around the birth of their kids – they believe that Jay Z actually carried their kids. Beyonce wore a Moon Bump, which deflated on an interview on live national TV and was witnessed by many people.

-CORONA/COVID VIRUS: The Corona/COVID virus was a coverup for a Financial Global Reset. However, the Wuhan lab did release a virus in Oct/Nov 2019, which contained the SARS virus also, but that virus is no longer active out there. Take off your masks. Many masks are causing people's faces to break out and many children are ending up with brain damage from wearing a mask.

-WHO: The World Health Organization (WHO) started the CORONA/COVID pandemic.

-BILL GATES: Bill Gates, who was born a female, vaccines killed 10 times more African girls than the disease itself.

-DR. FRAUDCI: Fraudci was born a female and is Bill Gates' puppet.

-EPSTEIN: Epstein is still alive. The minute he is killed...all the dirty secrets of the rich and famous will be turned over to the public so somehow -- they are keeping him alive.

-CHILD PORN: They still have child porn on twitter and facebook, however, they censored many Truthers and Patriots. Why?

-TWITTER: Twitter is referred to by many as #PedophileCentral because of how in the past many pedophiles used twitter to troll to pick up children.

-NETFLIX: The Netflix documentary lied to us about Epstein Island. It wasn't about he was sleeping with girls as young as 12 years old, but the island was a 'Baby Making and Adrenochrome Processing Farm.' It was only 15 miles from Haiti. Netflix is the streaming site for all that is evil coming out of Hollywood. This is why they are showing all type of gothic images on Netflix. It is Hollywood's Streaming Site. Everyone needs to unsubscribe.

-THREE DEEP STATE HUBS:

1) **The McCains:** John McCain was guilty of being a part of the Deep State. He is believed to have been executed and did not die with brain cancer. Arizona, the state where he was Senator, is known as 'Pedophile Trafficking Central' because of its proximity to the border. Thousands of children were rescued this summer in 2020.

2) **Vatican:** Another group entrenched with Child Pedophilia and Satanic Cult Worshipping was of course the Vatican. We all knew it but none of us thought they would ever do anything about it. The Pope and several other Priests were arrested and is at Gitmo or executed.

3) **The Royal Family:** The Royal Family was of course guilty too. They had used children for centuries for sporting activities to hunt down and kill and even hanged their penises on plaques.

-HOLLYWOOD DIRECTORS: Three (3) major Hollywood directors were found to be involved in Child Pedophilia and have been arrested (possibly executed) – Steven Spielberg, Martin Scorsese, and Quentin Tarantino. If you see them again it is a body double, clone or CGI.

It is believed that Steven Speilberg was involved in the murder of the young 12-year old female actor on Poltegeist (Carol Ann – real name ‘Heather O’Rourke’.) There were several pornographic videos of him and the little girl on youtube before they were removed. Martin Scorsese was the Grand Leader of the Pedophile/Satanic Cult California region at one time. A couple of years ago, Jim Carrey took over those duties. Joel Osteen, who was born female (#Transgender), also represent a region in his area.

-BOULE FRATERNITY: Supposedly, the Boule Fraternity controls the levels that black people can rise to in this country. Supposedly, it is part of elite society and they have a say so on how far you advance in this society if you are African American. Just some of their members were Kobe Bryant and Lebron James. To excel in your career (to be rich and famous) you have to agree to embrace the gay and transgender community and raise inverted children – raise your girls as boys and boys as girls -- and even marry into these communities.

Lebron James, who is part of the Pizzagate Child Pedophile Ring, wife has an Adam’s Apple. Do the math. Just because you are big and tall doesn’t mean you can’t be a woman. It has been proven that Dwayne ‘The Rock’ Johnson, Jason Momoa, Hulk Hogan and Arnold Schwarzenegger are all suspected of being transgendered - #BornWomen.

-MILLIONS OF MISSING CHILDREN: According to www.GlobalMissingKids.org, 8 million kids a year goes missing. That is about 22,000 kids a day worldwide and this is unacceptable.

-ADRENOCHROME: Because the flow of adrenochrome has been slowed down or stopped with all the ARRESTS of Child Pedophiles or Satanic Cult Worshipers (and others who committed ‘Crimes Against Humanity’) during the Trump administration, many people, especially moviestars will start to look really old and worn out. Many times though these are body doubles, clones or they use CGI.

They prefer the blood of children, who are in fear of their lives, to be between ages of 3-11 and they especially want African American children. This is why so many African American children were disappearing. Remember the ‘Atlanta Child Murders?’

-FOSTER CARE SYSTEM/CHILD PROTECTIVE SERVICES (CPS): Please stop giving the Foster Care system a reason to take your kids because there is a good chance,

they won't be seen again. Most of the kids in the past who went missing and ended up underground with their blood harvested for adrenochrome or had their organs harvested were part of the Foster Care System in the U.S. Supposedly, they had their own kangaroo courts with their own judges, lawyers, police officers, Child Protective Service (CPS) Case Workers that they used to kidnap children from their families never to be seen again. All the judges and lawyers will be monitored more carefully with the new financial system - Gesara – and they will be sworn in again -- once we move from Maritime Law to Constitutional Law.

-HAITI EARTHQUAKE: Haiti did not receive any money from the Red Cross when they had the Haitian earthquake so stop donating money to this group. The government caused the earthquake in Haiti with HAARP (the same in Houston) so they could kidnap black kids and take them to Epstein Island, which was only 45 minutes away so they could make adrenochrome from their blood.

-HILLARY: Hillary emails discuss her kidnapping, torturing, and killing children. There are at least 4 clones of her out there.

-JOHN PODESTA: John Podesta, the former chairman of Hillary Clinton's 2016 campaign, was a Pedophile along with Hillary Clinton, who tortured and murdered children. Hillary and Podesta tortured and killed children and recorded it on videos.

-WHO IS BARBARA BUSH? Barbara Bush is Aleister Crowley's daughter (son) #Transgender, who is a British Occultist. She was born a man.

-JIMMY CARTER IS INNOCENT: Supposedly, Jimmy Carter, the oldest living President, is the only President that is innocent of all the Satanic Child Pedophilia stuff. Maybe.

-KAYLEIGH MCENANY: Trump's white house secretary, Kayleigh McEnany, is the daughter of JFK, Jr.

-AUSTIN, TX IS ANTIFA CAPITAL: Austin, TX is very laid back, but many people are calling it #AntifaCapital.

-MOON LANDING: They never went to the moon. Most of it was filmed in the Nevada desert.

-THE CHALLENGER NEVER BLEW UP: The Challenger never blew up. None of these people died. It was a lie.

-MICHAEL J. FOX: It is believed that Michael J. Fox do not have Parkinson's Disease. He has been lying the entire time.

-LANCE ARMSTRONG DID NOT HAVE CANCER: Lance Armstrong didn't have prostate cancer, (s)he's never had any BALLS. She was born female. #Transgender.

-STEVE JOBS CAUSE OF DEATH: Steve Jobs died of AIDS, not cancer, and he left a letter.

-NATALIE HOLLOWAY HAS BEEN FOUND: Natalie Holloway is alive and recuperating after being sold into sex slavery.

-JIM HENDRIX DID NOT DIE: Morgan Freeman is Jimi Hendrix.

-JON BENET RAMSEY NEVER DIED: Jon Benet Ramsey did not die. She is Katy Perry, who was born a male. Katy Perry dated Russell Brand, who was born a female.

-NICOLE SIMPSON NEVER DIED: O.J. never killed Nicole Simpson. Nicole Simpson is living as Newscaster Megyn Kelly.

-PEOPLE STILL LIVING: Elvis (Born Female), Marilyn Monroe (Born Male), Princess Diana (Born Male), Michael Jackson and JFK, Jr. and his father, Former President JFK, Sr. is still alive. I believe JFK Senior recently died.

-PRINCESS DIANA: Princess Diana, who was born a male, is now the boyfriend of Elton John. Her sons were born female and are married to men. It is believed that Snow White on Twitter is Princess Diana.

-ELVIS IS STILL ALIVE: Elvis is in the FBI. According to google Elvis had a stillborn brother who died at birth, however, many people believe Elvis might still be alive and even living as Pastor Bob Joyce.

-VEGAS SHOOTING: The Vegas shooting was carried out by an FBI sniper.

-CIA AND OTHER ROGUE GOVERNMENT AGENTS: CIA agents were arrested for rape but many of the federal agency employees rape their female employees and the traveling public especially the agencies that carry weapons – FBI, Secret Service, ATF, DEA, Customs and Border Protection, Immigration, IRS, etc.

-EEOC COMPLAINTS: The only way forward to receive justice in most workplaces is to file EEOC complaints. The headquarters' office for the EEOC has more complaints than outlining companies so you can see the issue here. When you file an EEOC complaint in the federal government, your name goes on a HIT LIST and you are targeted for severe harassment and/or termination and it will follow you throughout your career. This harassment is not just by your superiors, but also your co-workers (many are armed), where many employees and their families are stalked on and off the job. They harass you on your phone and follow you home and around your neighborhood and sit outside your doors in order to intimidate you just because you filed an EEOC complaint, which is your right. They especially do this if you are female and a single parent. They also harass your children.

-WHISTLEBLOWERS ARE THE GOOD GUYS: If a whistleblower is exposing some type of illegality, you should believe it because they usually don't have anything to lose at that particular point and they are just trying to get the truth out before they are terminated. Most are threatened with termination or even death after coming forward by their superiors and co-workers and many have gone on to commit suicide (or was killed). What we need is a 'Whistleblower Movement' to straighten out this country.

-GEORGIA DID NOT TURN BLUE: Georgia did not turn blue. They cheated!!!

-CALIFORNIA TURNED RED: California did turn into a Red State.

-MASSIVE FRAUD IN LAST ELECTION: There was a massive amount of fraud in the last election against Trump and Biden, but most people don't know it yet, especially Democrats, because of mainstream media saying just the opposite. For 4 years their whole narrative has been "Orange Man Bad," so this is why many Democrats want Trump gone -- even though they loved him before he was elected President. Wake up!!!

-THE DOMINION VOTING MACHINES: The Dominion Voting Machines, which was used for years to fix elections in other countries and keep dictators in office were also used in the U.S. in the last election -- to fix the last election and give the election to Biden/Harris.

These machines were confiscated at the CIA office in Frankfurt, Germany, where the head of the CIA, Gina Haspel was injured and then taken to Gitmo. CIA stands for 'Communist in America' and they have carried out domestic and foreign terrorist acts against the U.S. and other countries -- forever.

-TRUMP WAS SELECTED TO OVERSEE THE COLLAPSE: Because President Donald Trump was a businessman, economist, attended Military School and is an expert on bankruptcy, he was SELECTED, not ELECTED, to oversee the collapse of this country (along with the 'White Hats' aka 'The Good Guys') then help build it back up.

There is a 'Financial Global Reset' that has been taking place since the close-down and it was planned for years. JFK Sr. tried to do it but he was killed because of it and they also tried to do it during 911, but they blew up the towers.

Because banks have been committing fraud for years, the 'Financial Global Reset' will be giving funds back to the people from student loans, credit cards, mortgages, dismantling of the IRS, etc. so those Elites currently in charge including Big Pharma and Big Tech, don't want this to happen so this is what you are witnessing at this time.

There is a transfer of Powers...taking place...from the Elites, Big Pharma, Big Tech back to the people. Trump will be the last President. Each state will have their own representative when we go from Maritime to Constitutional Law, where all the lawyers and judges will be watched and will have to be sworn in again.

Trump won the last election. He has been playing 'Chess not Checkers' so he expected the cheating. So therefore, there were 'two voting systems' running side-by-side in the last election. You had the regular election, where the Dominion Voting Machines were used and massive fraud took place and the Quantum Voting System, which had watermarked voting cards that you could see from outer space, which showed that Trump won the election by 75 to 80 percent.

Trump still has several Trump cards to play. He was in a position to launch the Insurrection Act like Abraham Lincoln (Supposedly, he did this) or he could have launched the 2018 Executive Order, which states that if there were any outside interference in an election from another country (such as Communist China, which occurred this time), then the winner will go to the other side – which is President Donald Trump.

If it wasn't for the actions of Donald Trump, we would be living in a Communist country right now. Trump has tried time and time again not to seem like a dictator so we all can move into this new world. Remember he is playing 'Chess not Checkers' so things are still moving in the background – but slowly. Be patient!!!

-THE GOVERNMENT WEAPONIZED HAARP: Spring is here so after what happened in Houston, it is time to get out and stock up on supplies and grow your own foods. Just remember there are a lot of evil spirits leaving this earth at this time and they want to take as many people as they can with them. This is what you just witnessed in Houston.

They weaponized the government's HAARP program to take out areas of this country. Also, the Chinese Communist Party (CCP) had something to do with this. This is a government program to control the weather (look for it on youtube.com). Become a prepper and just be ready when they come for your area.
