

The Truth About the Entertainment Industry - #HollywoodRituals

Aug. 27, 2020

Syndicated Columnist www.CathyHarrisInternational.com

As a Syndicated Columnist and Investigative Reporter, I loved writing and researching at an early age. My current topic that I have been working on for two months – #HollywoodTransgenderAgenda, has to be the hardest topic that I ever reported on.

Others reporting on the topic seem to have a lot of hatred and disrespect while trying to educate others. That is definitely not what I want to attract in my life so I have ended my research on this topic with this post. I have tried my best to be as sensitive as possible when reporting on this topic and I do apologize up-front if I have offended anyone.

I Am Glad I Am Not Famous

I came close to being famous when I blew the whistle on my job (www.TheCathyHarrisStory.com) and appeared on Oprah's Oxygen Channel. During this time, I was contacted by Queen Latifah people's twice to try to get me on her show to tell about the humiliation of black women who travel in and out of this country. I am so glad my life steered me in another direction and kept me on track.

Again, in order to be RICH and FAMOUS, Hollywood (aka "The Entertainment Industry") forces you to live with the same sex person or become inverted by changing your sex, raise inverted kids (raise girls as boys and boys as girls), and now they are attempting to legalize pedophilia and this is indeed a #HollywoodRitual.

So for those of you desiring to go to Hollywood to be a singer, rapper, dancer, actor, reality show star, etc. -- think logically about what you will be giving up and the fact that you will have to sell your soul.

Hollywood Transgender Agenda – No Natural Born Women

Just when you thought you could not hear anymore mind-boggling information with what is happening in 2020 -- hear it comes. The topic I am researching is the -- #HollywoodTransgenderAgenda, which has taken me even deeper and further down the rabbit hole.

Issues that I found disturbing to say the least:

-Modeling Industry: All the "Victoria's Secret" models are actually "Victor's Secret" models -- because they are all men #Transgenders. This has been the BIG SECRET the entire time #VictorsSecret.

Tara Banks and Heidi Klum, who were former models are also men and all the models involved in their projects -- Project Runway and America's Next Top Model is also suspected to be men #Transgenders.

-Beauty Pageant Industry: The Beauty Pageant industry, like the modeling industry is filled with nothing but men #Transgenders. Vanessa Williams and Kendra Moore, from Atlanta Housewives was also in Beauty Pageants, and are also men #Transgenders. But many #BillPillers still believe Kendra Moore had a baby. She was wearing a #MoonBump and probably had her baby through a surrogacy program, but many people believe what they see on TV.

-Playboy Bunny Industry: The Playboy Bunny industry is also filled with men #Transgenders.

-Housewives Franchise Industry: The Housewives Franchise Industry including The Real Housewives of Atlanta, The Real Housewives of Beverly Hills, The Real Housewives of Orange County, The Real Housewives of New Jersey, The Real Housewives of New York City, The Real Housewives of the Potomac, etc. are all men #Transgenders with inverted children (girls raised as boys and boys raised as girls).

-The Bachelor and Bachelorette Franchises: All 27 of the women on Juan Pablo season were men. Then one of them went onto the Bachelor season. These men are forced to be with these women and even marry them -- just to be on the show. However, many resist and walk away from the fame.

-American Idol: Just some of the winners of the "American Idol" have been Kelly Clarkson, Carrie Underwood, Jennifer Hudson, and Jordan Sparks, and they are all men #Transgenders so they push these people on us. This is all by design. Simon Cowell, one of the hosts is a female so they are all #Inverted.

-All the Tyler Perry Shows: All the women's roles are actually men (#Transgenders) but some might be Gay also on these shows "If Loving You is Wrong, The Haves and Have Nots, The Paynes, and Love Thy Neighbor." Tyler Perry was born a female.

-All the Oprah Winfrey Shows: All Oprah shows including Queen Sugar, The Women of Brewster Place, etc. are also men #Transgenders. Oprah and Gayle are men also. #Transgenders.

Other shows who we all thought were dominated by women are actually dominated by men who are #Transgenders include:

- Keeping Up With The Kardashians
- Vanderpump Rules

- Total Bellas
- Basketball Wives
- Love and Hiphop Atlanta
- Love and Hiphop Hollywood
- Little Women: Atlanta
- Little Women: LA
- The Millionaire Matchmaker
- The Braxtons (including Toni and the Mother)

Other shows where the women are actually men include:

- The Voice
- Married At First Sight
- 90 Day Fiance
- Jersey Shore
- 911
- Law and Order
- Empire
- Scandal
- How To Get Away With Murder
- This Is Us
- Mistresses
- Desperate Housewives
- American Horror Story
- Handmaid's Tale
- Power

Now that most of us have been educated on the different anatomy of men and women, which is listed on my dating website at www.BlackMatchmakerClub.com -- when you go back and watch these shows and movies, it's quite obvious that these men and women are #InvertedTransgenders.

Many of these women have those long necks with Adam's Apples, along with broad straight across shoulders, collar bones that sticks out or go all the way across, long arms that passed the crotch area, big hands and big feet – just to name a few.

So there are NO NATURAL BORN WOMEN in the entertainment industry (actors, rappers, singers, reality show stars, etc.). The news industry, politicians, sports industry, etc. where there are also many #InvertedTransgenders, also help to perpetuate this lie because Hollywood and the News Industry is the same. They also own #Academia.

Every Is Fake - #FakeWorld

Everything around us is fake. Is it fake though or discriminatory? In my two months of research, I could not find one natural born woman. Why aren't natural born women

allowed to work in the entertainment community and why does an industry so diverse with culture only caters to the gay and transgender community?

Everything is scripted. Even mainstream media (aka #FakeNews) are just characters – acting -- so this is what we need to understand. These people are told what to do and say by the elites because the elites run everything and they have been around for years.

This has all been done by the entertainment community so they could bring us into their culture, so that we can raise inverted children (raised girls as boys and boys as girls) and they can legalize and normalize #Pedophilia.

Why Men Hate Women

There is no way to get around it and I believe this is why many men have a hatred for #NaturalBornWomen. At the end of the day this was also done so men would not feel guilty about sleeping with other men.

You might not be sleeping with a man who looks like a man, but at the end of the day, you are still sleeping with a man. Many think this is an abomination, but many pastors (and deacons), are also sleeping with other men.

Hollywood Shift

I grew up watching great action, suspense and drama movies, but now it's nothing out there but junk. I remember the shift when Hollywood stopped making movies to pursue reality TV instead.

Did you know that Netflix bought most of Harvey Weinstein movies when he went to jail? Did you realize that 99% of all the tween shows, YouTube, Netflix, etc. show #Occult and #Satanic images?

Remember most of these #Occult and #Satanic communities came out of #Hollyweird or should I say "Hellywood" (aka "Pedowood"), where Kamala Harris lives and was a Politician so what do you think is going to happen if she ends up as President? Kamala Harris was born male. Her mother was born a male and her grandmother is a male.

The Truth About the #MeToo Movement

The #MeToo movement was started by men, who are transgendered. The black female, Tarana Burke (<https://www.youtube.com/watch?v=WMcANtWA5BE>) -- who founded the movement is actually a man #Transgender.

Alyssa Milano and Rose McGowan, who later became spokespersons for the movement are also both men #Transgendered. Supposedly, the movement, which lasted for 2 years, was started so that Harvey Weinstein could get at least 2 more years of freedom -- so this movement was planned by some of the perpetrators that was actually committing these crimes.

Who Did Harvey Weinstein Rape?

Who did Harvey Weinstein rape if all the women in Hollywood are men #Transgendered? According to #FakeMedia, Harvey Weinstein reportedly raped over 100 women and instead of serving a 55-year sentence, it was reduced to 23 years instead.

Who the heck did Harvey Weinstein rape if all the women in Hollywood are actually men #Transgendered or Gay and many of the men - women? He probably raped a combination of both since many of the men are actually women and many of the women – men.

Gay Men Behind The Cameras

We need to also mention what is going on with gay men behind the scenes who are putting on a lot of these TV shows and movies. In cases where there is lude behavior, scenes, and characters where there is sex involved with 'Black' dark-skinned girls and women, these areas are overpopulated.

Those in charge are rewriting our narrative and showing us as prostitutes. We have never been the prostitute! Now they are coming after our daughters. It's the gay males in the industry who loves to promote the 'Whore' type atmosphere when it comes to our dark-

skinned daughters especially. That is their fantasy and they use women and girls, especially dark-skinned women and girls to show it. Go on these sets and I bet you, there will be gay men in charge.

CALL TO ACTION - Turn Off TV and Tune Into Virtual and Community Empowerment Platforms

There is a reason why everyone is wearing masks and why we are so afraid of each other. It is so that we don't communicate with each other and come up with action plans for our lives.

I also think it is important to start holding local community meetings again especially with the smaller, community proactive churches. There is a reason why the 'well-to-do' pastors are part of a government initiative, who have been told to keep their congregation sleeping by quoting certain bible scriptures to them.

We need everyone to look at their God-given talents and get out there and help us educate the world. If we are ever going to get to the bottom of what is happening in this country and restore our lives to some sense of normalcy, we need everyone to build empowerment platforms online and in their communities.

This is how we move forward. We need all freelancers, syndicated columnists, bloggers, podcasters, facebook group moderators, radio and tv hosts, and others holding Facebook Live, Youtube Live, and Instagram Live shows. However, with the censorship the way it is – join these alternative platforms at – Parler, Telegram, Bitchute.com, Clouthub.com, Rumble.com, and Gab.com.

We need everyone turning off the TV and finding these educational and informational platforms. This is a CALL TO ACTION!!! The world needs more Investigative Journalists, especially in these days and times, but many people in mainstream media, who should be conducting these investigations, is part of the elite society and they have chosen instead to distract you with #FakeNews, so again, turn off the TV.

What We Need To Do To Counteract Some of This Negativity

We need men and women to come together and hold National Strategy Meetings, Think Tank Meetings, and Weekly Mastermind Meetings. We can hold these meetings through www.Zoom.US and www.FreeConferenceCalls.com #VirtualPlatforms and let's meet in communities again.

Our main focus should be to create health and business initiatives for the entire family. However, other topics that we will create business opportunities around include:

- Organic Food Movement (GMOs, Autism, Vaccinations, Depression/Self-Esteem, Hair Growth, etc.)
 - Business Opportunities for Children and Adults (MobileLearningClubs.com)
 - Finances/Money Management
 - Housing
 - Education (Home Schooling, Etiquette/Charm School, Parenting Workshops, SistaHood Villages, etc.)
 - Police Interactions (Neighborhood Watch Programs, Self Defense and Weapon's Handling Workshops)
 - Minimalism101
- We Need Men To Form More #Manhood Classes and Training:

These classes and training should also include:

- How To Grow Your Own Foods (BrothersBuildingGardens.com)
- How To Start A Business
- How To Deal With The Police

Growing up I just knew something was strange about Hollywood and 2020 has given all of us the answers. So look at 2020 not as something bad, but look at 2020 as a gift to your #Awakening. You should never look at the entertainment industry, this includes Actors, Singers, Rappers, Reality Show Stars, etc. the same again including the media - who has allowed this lie to run rampant for decades.

You can believe what you want to believe, but at the end of the day, I got the answers I needed to be able to move on with my life. I will continue to post relevant and timely news, but as far as this topic is concerned, I have moved on.
