Social Media Censorship:

-Fact-checkers never existed until the truth started coming out. Censorship is a tool used when the lie loses its power.
-Federal court ends Facebook censorship as we know it. Texas wins social media censorship lawsuit, but even though I have reframed from discussing (you know what) they still got me. My Facebook account is currently restricted. I am on some type of timer for censorship on Facebook. They block me every 2 to 3 weeks usually for 30 days, however, this time I am only restricted.

Sep. 24-27, Feast of Trumpets

On Sep. 24-27, 2022, it will be the 'Feast of Trumpets'. In 2022, Rosh Hashanah will begin at sundown on Sep. 25 and end at sundown on Sep. 27. For the trumpet will sound and the dead will be raised imperishable, and we shall be changed (Corinthians 15:51-52). For the lord himself will descend from heaven with a cry of command, with the voice of an archangel, and with the sound of the trumpet of God. And the dead in Christ will rise first. Then we who are alive, who are left, will be caught up together with them in the clouds to meet the Lord in the air, and so we will always be with the Lord (1 Thessalonians 4:16-17)

CHARLES will be the FIRST ARREST. The White Hat Military in the UK now have King Charles III under Military control.

-White Hat Military Operations silently seized the Chain of Command of the Vatican Empire, Vatican Inc. in 2016. They took away 650 plane loads of gold from the 150-mile-long tunnel beneath the Vatican that ran to Switzerland. The gold was returned to countries of original origin, mainly the U.S.

-Most people especially Liberals and Democrats hate Donald Trump but the first thing he did when he took office was to create 3 Executive Orders to go after Child, Sex, and Human Traffickers. He is the first President that ever did this.

-There were NO STARS on the flag at the last Trump rally, which means surrender. The American flag without the stars tells your enemy that further aggression on their part will mean total annihilation, complete destruction or obliteration (to remove all traces of). If your the enemy and

you choose to surrender you will be treated well. President Trump was sending the Deep State a message.

-The fake news media is in meltdown mode after the recent nods from President Trump to Anons. Trump is giving legitimacy to the Anons and Q. Anons are the followers of Q. Q sends Q-drops to Anons. There are no Q-anons. The media never get it right.

George Floyd Was a False Flag, Psyop, Hoax, Scam:

- The same people who hate Donald Trump were the same people that thought George Floyd had been killed. Mainstream Media is nothing but LIES. #FakeNews. The George Floyd fiasco was nothing but a PSYOP. They played on the people's emotions and it worked.

- George Floyd showed up at his own funeral wearing shades. The casket was too short for a six-foot man so there were all these tell-tale signs to wake people up -- but they never did.

- They showed George Floyd when he was being arrested and one minute he had hair and a tattoo and then in another video clip he was bald with no tattoo. So, all these clues were right in front of your eyes.

- That was a life-like dummy on the ground whose neck was being kneeled on and the man who was kneeling on the dummy wasn't the same man that was being tried for the crime on TV.

What is Gesara About:

- Basically, because the banks have been committing fraud against -- not just you but your ancestors, GESARA will be about giving the money back to the people.
- They will be paying off your Student Loans, Car Notes, and Mortgages and you will receive back any funds ever paid

out to IRS. Keep checking www.CreditKarma.com (a FREE account) to see when all your bills are zeroed out. For those retired on Social Security, you will receive up to 5,000 a month. Because of the birth certificate bonds they put on you when you were born, you will also receive back funds. Everyone will have funds.

-Everything will be affordable because we will be going back to 1955 prices and using Tesla energy so your energy bill will decrease by 75%.

-There eventually won't be a need for nursing homes because of the [#MedBeds](#) ([#MedicalBeds](#)). Everyone will be living to 150 to 200 years of age or even longer because of the [#MedBeds](#).

The [#MedBeds](#) and 6000 natural cures coming will help you heal. The [#MedBeds](#) will be FREE and will be controlled by the Military so those having access to the Med Beds first will be the Military and the Rescued Children, then Seniors, the Disabled community – then everyone else.

-Every single industry including the government, medical, pharmaceutical, etc. is currently being GUTTED and OVERHAULED and soon we all will be living in a NEW WORLD.

-You will only need to work 20 hours a week and use the rest of the time on Creative Projects or Humanitarian Projects. Women can go back to staying home again and taking care of their families. Grandparents especially Grandmothers ([#BringBackMommies](#)) will show up again in the life of their families to help raise smart and respectful children. And neighbors will start looking out for each other again.

-No one will be homeless. We will get all the homeless people (veterans, mentally ill, etc.) off the streets and we will be taking care of each other.

-The innocent will be released from jail including the 'non-violent offenders'. Eventually, there will be NO CRIME and we won't even need the police. All Military, Law Enforcement, Lawyers, and Judges are currently being TRAINED and RETRAINED in Constitutional and Common Laws so we are leaving Maritime and Admiralty Laws, which was the #1 reason everyone ended up in jail in the first place.

-We are moving into another Dimension [#5thDimension](#) and another era [#GoldenEra](#) and it is going to be a beautiful time to be alive. The earth will be flourishing with all types of resources and we will have everything we need to live a good life.
