

# Cathy Harris Gesara News Update

## Tuesday, Oct. 4, 2022

**-HAARP USED IN FLORIDA:** Of course, that was **HAARP (#WeaponManipulation)** that was used in Florida – probably to shut up Governor Ron DeSantis. They have been using HAARP for over 75 years and it was one of the last holdouts of the Deep State Cabal.

DeSantis took on Disney World, who along with their parks, cruises, etc. had held one of the largest child sex trafficking rings in the world. Disney had their own government including their own police departments, which aided in the kidnapping of children. There were miles and miles of tunnels found under Disney and a few months ago these were flooded.

Musk's Starlink Internet is aiding Floridians. DeSantis said the company will send 120 "large Starlink units" to Florida, which will serve as satellite dishes to distribute internet.

**-#REDOCTOBER PERFECT STORM:** Red October Army is on the way. October is **#RedOctober**. The hunters become the hunted. October is the perfect storm for all of this (**#Gesara**) to take place and I have been telling you for months that the stock market needed to crash for Gesara to go through.

Since October is when the stock market usually takes a dive, Gesara is expected to go through at any minute.

Everything is happening that is proving this; however, some say when Saudi Arabia joins BRICS this will definitely happen.

**JUAN O'SAVIN SPEAKS:** Many believe Juan O'Savin is JFK, Jr. and the Vice President of the New Republic. He has said on [www.107daily.com](http://www.107daily.com) by the end of October or the first week of November, the EBS should be sounding along with Martial Law and rolling blackouts. He said the entire world should be lit up.

**-STOCK MARKET IS BEING MANIPULATED:** The US 10-year yield is now below 4.6% (it's 3.58%) that is an over 42 basis point freefall in just the last week. Moreover, the relative dollar strength is markedly lower. The MMRI is falling and stocks are higher across the board. Make no mistake ...this is the Central Banks buying all the debt and propping up stock markets. This current action by Central Banks assures much higher inflation. But it will also prop up global stock markets.

**-WE ARE WAITING FOR MR. C TO FLIP THE SWITCH:** Mr. C (aka Michael Cottrell) had been telling us October for months. He recently also said..."I think right now it could happen at any time for any reason...we are at the right stage...the right time...and the right players are stepping up to the plate."

As soon as Mr. C flips the switch, anything **INSTITUTIONAL** will go away. Your car loans, college loans and mortgage will disappear. You will receive all the

funds back from IRS. Seniors will get up to 5,000 a month. The retirement age might go down to 60. It will level the playing field for everyone. Everyone will have money. There will be no more suffering.

The small business COVID loans will be gone. All liens will be gone because they were taken out under Maritime and Admiralty Laws. People are probably going to be confused once the Maritime laws goes and we start with Constitutional Laws so it's important to study all of this now. Bring David Straight [www.StraightEvents.com](http://www.StraightEvents.com) to your city who is teaching Constitutional Laws; How to Keep CPS from Taking Your Children; and How To Become Sovereign.

**-THE U.S. CORPORATION IS GONE:** There is no going back. The Corporation is gone. We are now in a Republic. The Deep State rats have been picked up and QFS is watching every move. All the rules they operated on for the last 500 years is gone.

**-NICK FLEMINGS SIGNS NDA:** On Oct. 1, 2022, Nick Fleming signed an NDA and canceled his calls as requested by the Military and those managing the RV. Nick's signing of a NDA was a precursor to the release of the distribution of 1% of funds allocated to Historic Bond Holders and other platforms around the World involved in RV GCR trading. The reason Nick was given: "Everything is starting. You need to be quiet."

**-TALK TO YOUR BANKS:** People are talking to their banks asking about the NEW Rainbow currency and many bank personnel told them the new Rainbow Money is on the way to be delivered. Someone even witnessed Rainbow Money being delivered to a Wells Fargo bank in Oregon. Other bank managers are confirming that there is NEW MONEY about to go out to the public.

-We are coming up on a **3-day weekend (Monday, Oct. 10, Columbus Day)** and you know how banks love to do transactions over 3-day weekends. Many people have been denied cash from ATMs. Remember to have cash on hand for 10 to 30 days because banks might close for 10 days to 3 weeks and debit and credit cards won't work.

There will be an EBS, Martial Law, rolling blackouts, and internet shortages (glitches or cyberattacks) but nothing should be down too long.

They will be making their last arrests so there will be Martial Law in some places – not everywhere -- but don't ever let them put you in your homes again. Some of you won't see any Military.

-Most of you heard about the **TWO RESETS**. The **Quantum Financial System's (QFS) Global Currency Reset** and the **Cabal's Great Reset** which planned to totally control the World's people that were ushered in with the COVID virus and vaccinations with their fiat Central Bank Digital Currency. Central Banks had one objective

which is control, but the fiat Cabal's Great Reset has been taking out.

-A total collapse of the Global Financial System was occurring because of the bankruptcy of the Federal Reserve and their Central Banks on Tuesday, Sep. 13, 2022.

-The new fiscal year began on Oct. 1, 2022. The new U.S. Treasury Note (USTN) is backed by the gold-silver standard.

-Remember to buy Gold and Silver. Silver is worth more than Gold...One of the best websites for those with Stocks, Bonds and Other Investments is <https://dinarrecaps.com/recap-emails>

-The World Gold Council announced on Saturday, Oct. 1, 2022, that Iraq was the world's largest buyer of gold during the second quarter of 2022.

**-Recent UN Emergency Meeting Announcement:** The Iraqi Dinar revalued on Thursday, Sep. 22, 2022. The Zim revalued on Friday, Sep. 23, 2022, and the Global Currency Reset (or the RV) started on Sat. Sep. 24, 2022, when 50% of currencies worldwide collapsed against the U.S. Dollar. The three major world currencies...the Euro, U.S. Dollar, and UK Pound were now equal to each other.

-The FED held an emergency meeting on Monday, Oct. 3, 2022, at 11:30 a.m. Banks saying there is a problem...

Credit Suisse collapse? Result of Vatican Bank move? What did the Vatican know? Results of China dumping dollars? Credit Suisse stock drops 10% as CEO memo fails to calm markets.

-After Gesara you can move your money in QFS wherever you like, but banks won't have anything to do with it. The banks don't own the QFS system. The QFS system only deals with gold-backed money. It does not deal with the fiat U.S. dollar. Many banks have filed bankruptcy. Some will be closing down. Many employees are already leaving for other jobs because 'the writing is on the wall'.

-The QFS has been running accounts side by side with the existing swift system for at least 18 months so your money is safe.

-The mid-term election will probably not occur.

-We might not have a scare event. Scare events are to wake people up.

-Fraud was verified in Brazil so Brazil was the country with the second highest number of cyberattacks in the world today.

-Many people who took the VAX are having alopecia (hair loss).

-Kash Patel Fires Warning Shot: “Wait until you see the acts of sexual complicity that the 7<sup>th</sup> floor of the FBI was engaging in.”

Remember my enewsletter about how the federal government and Military use sexual violence in the federal workplace “**Overhauling the Government and Abolishing the 3-Letter Agencies**”  
<https://conta.cc/3BqI09Z>

**-SHOOT TO KILL ORDERS FOR KHAZARIAN MAFIA:**  
Shoot to kill orders have been issued against all Khazarian Mafia until they surrender unconditionally, according to agreement made between M16, the CIA, Mossad, the Russian FSB and other military/intelligence agencies worldwide.

**-STOPPING FREE SPEECH:** Texas wins FREE Speech Censorship lawsuit against Facebook and Instagram. The U.S is no different than Canada or any other country when it comes to FREE Speech.

It is how Big Teach and Governments collude to prevent basic knowledge of how effective Hydroxychloroquine (HCQ) is against COVID 19.

I believe you will also be able to sue your politicians that refused the use of these natural cures during COVID. They would not allow any use of these natural cures (HCQ, Ivermectin, etc.) in Blue States.

**-MEDBEDS ARE HERE:** Supposedly, the MedBeds might already be laid out all over the country, but no one knows when they will be available. Therefore, meanwhile check out [www.TeslaBioHealing.com](http://www.TeslaBioHealing.com).

Remember the Military will be in charge of the MedBeds and the first to use them will be the Military along with the Rescued Children; Secondly, the Seniors; Thirdly, the Disabled community including those with vaccine injuries and autism, etc; and lastly, everyone else or the public.

MedBeds and natural cures will help you live to be 100, 200 or even longer. Watch this video **“What You Need To Know About MedBeds”**  
<https://www.youtube.com/watch?v=-gURb3d12gQ>

This is my two cents on MedBeds...Many are wondering if MedBeds can cure vaccine injuries. Remember MedBeds were given to us by Offworlders and if the MedBeds can do age regression back to 30 years and regrow your limbs, then chances are they can also cure any vaccine injuries. However, it all depends on how severe the injuries are so stop the COVID boosters now and take off the masks and breathe in fresh air.

The first batch of vaccinations were placebos so even if you took the vaccination, you might be okay if you are taking care of yourself and building a strong immune system. Just remember many people are sick from eating GMOs processed FrankenFoods so try your best to gain access to good, clean, organic foods.

Check out my gardening links --  
[www.VirtualOrganicGardenClubs.com](http://www.VirtualOrganicGardenClubs.com) and  
[www.BrothersBuildingGardens.com](http://www.BrothersBuildingGardens.com).

**-MEDBEDS TO TAKE THE PLACE OF HOSPITALS AND**

**NURSING HOMES:** Rockefeller owns Big Pharma so MedBeds and “Healing Centers” will eventually take the place of hospitals and nursing homes.

All the toxic Rockefeller medications will eventually be phased out. There will be no need for prescription drugs once Med Beds are installed and once we get the 6000 patents and natural cures.

There still might be surgeon centers but many nurses have already followed doctors into their own practices. These practices will be set up the same as when we were growing up (I am a #BabyBoomer) where doctors treated the entire family unless someone had to go to a specialist. But no one was sick back then because of natural cures and clean organic foods.

**MAJOR LAWSUITS INCOMING IN OCTOBER:**

Supposedly, this month we should hear about all the lawsuits in the medical and even the education industry. All those employees (especially Whistleblowers) who had to walk away from jobs because they tried to force you to take the COVID test and/or vaccination, will be compensated in billion-dollar lawsuits.

All those employees including the nurses and doctors that were complicit in murdering people especially children by giving them the COVID test and/or (#Depopulation) Vaccination, it's time to pay the piper.

If you are a doctor, nurse or healthcare provider in a hospital, urgent care, hospice, nursing home, home health care worker, etc. and you willingly stuck those long cotton swabs up into people's brain then you were complicit.

I bet you that 99.9% of veterans are jabbed. I was refused healthcare treatment by VA.gov in Austin, TX (my home state) because I refused to allow them to give me the COVID test.

Not only was the COVID testing procedure deadly, but the tests were also made from the **SAME POISON** as the COVID vaccination especially the home COVID testing kits.

If you can prove you took the COVID test and/or the COVID vaccination, you might be compensated so it might not be too late to join these lawsuits.

Hospitals were murdering people for their organs. This is why you weren't allowed to stay with your loved ones. Hospitals work with police officers, ambulance drivers, the morgue, funeral directors, etc. to get your organs. It's an organ harvesting ring. They were murdering those that ended up in hospitals (probably still doing it).

Their number one goal was to take out Seniors so those on Medicare (over 65) that were admitted to hospitals, Medicare (aka “The Government”) paid hospitals \$13,000 and once they were put on ventilators, hospitals were paid 3 times that amount or \$39,000.

The way that hospitals got their \$39,000 from Medicare was after patients were admitted they gave patients the drug ‘remdesivir’, which caused their kidneys to fill with water, which meant they would need to be put on a ventilator. Being put on a ventilator meant DEATH (Ventilator = Death).

After these doctors and nurses saw everyone on ventilators dying, they had to know it was the drug but they kept doing it. Many doctors who became whistleblowers said they weren’t giving out the right treatments, but they were fired. It’s time to pay the piper. You haven’t gotten away with anything. **#GITMO, #NurembergTrails, #MilitaryTribunals.**

Join the facebook group “**Died Suddenly News.**” <https://www.facebook.com/groups/674474173691016> -- These are stories of those who suddenly died after taking the jab.

**-HOSPITALS ARE COMMITTING CRIMES AGAINST HUMANITY WITH TRANSGENDER SURGERIES:** Since hospitals are no longer making money off COVID Vaccinations and organ harvesting, transgender surgeries have taken over funding for many hospitals. Hospitals

involving themselves with ‘**change of gender**’ surgeries are committing ‘Crimes Against Humanity.’

These are the same doctors that fell hook, line, and sinker for the COVID (#Depopulation) agenda. Over 40 years ago the people who are changing people’s gender would have been jailed for life.

How can any child of 10, 11, 12 or even 15 know what sex they want to be. It is a shame that these highly educated individuals have done this to people and many doctors today also believe they should be charged with ‘Crimes Against Humanity’. These doctors need to be hung. **#GITMO, #NurembergTrials, #MilitaryTribunals.**

**-NHS REMOVES THE WORD WOMEN FROM MENOPAUSE PAGE:** The NHS has removed the word “women” from its menopause page, because the NHS no longer knows what a woman is.

**-REEDUCATION OF THE MASSES:** Many are saying the masses need **#ReeducationCamps**. Corporations are finding out they have to reeducate those with degrees or just don’t hire them. Middle management is saying these people come out of college and they think they are entitled to certain jobs and certain funds and they have been miseducated.

The Rockefellers took over the Board of Education in 1953 and changed all the education books in 8 years so since this time everyone was miseducated.

**-MOVIES AND MUSIC CHANGING:** Some movies will be removed especially those like Disney with subliminal messages and they will turn down the music frequency. The music frequency they have now is the reason a lot of people commit suicide when they listen to it.

**-HALLOWEEN CANDY IS POISONED:** Remember to only buy your Halloween Candy from Mom-and-Pop businesses because most of it coming from big corporate companies have been poisoned by the Deep State. All the Nestle's chocolate, kisses, etc. is poisoned with #HumanMeat.

Also, fentanyl has been made to look like candy so sit your children down and talk to them. Tell them to stop taking candy from anyone outside the family. Are schools making these announcements too? Attend school board meetings and the PTA to make sure.

**-FEMA CORRUPTION:** Remember FEMA.gov was working with Walmarts to set up FEMA camps under the Walmarts and they were also collecting homeless people off streets and fattening them up for 30 days then taking their organs.

Many of you don't believe in RealRawNews.com but these are some interesting articles below. Just remember that all federal government agencies have the bad and good. There are many bad employees but there are also many good employees.

Remember how I discussed all of it in my enewsletter entitled "**Overhauling the Government and Abolishing the 3-Letter Agencies**" at <https://conta.cc/3Bql09Z>
