There Will Be an Gesara Announcement

What is really happening is we are preparing to move into a **NEW GLOBAL FINANCIAL SYSTEM - the Quantum Financial System or (QFS)**, which came from another civilization (**#Offworlders**), **#ThePaleiadians**, who also gifted us with **Medical Bed (#MedBed)** technology now controlled by the Space Force program.

We need to be aware of what is coming so we don't get caught off guard. When we are caught off guard – we go into fight or flight mode. Then we can't think clearly. We need to know where we are going.

They were going to stretch out the Gesara rollout over a seven (7) year period -- but everything is happening now - so be prepared. Go back and read all my enewsletters and articles at www.CathyHarrisSpeaks.com.

We are having the EBS, Disclosures (revealing what has happened) then the Gesara announcement where all your balances – (mortgages, car notes, credit cards, college loans) will go to zero so it will be a **#DebtJubilee** -- then the buyback for the XRP starts.

This is when they will bring in the attorneys and make sure **#WeThePeople** money is protected. Bitcoin was a trap. It wasn't intended to be what people thought. Everything will be revealed during the Disclosures (#MilitaryTribunals, #PublicExecutions, etc.).

It Will be 'Heaven On Earth': There is a **restoration blessing** coming and many of you have been chosen to put love out in the universe and help prepare others for the change. Many people don't like change so there will be a certain amount of resistance.

We are in the process of receiving the **restoration blessing**. God has legally reclaimed all of us. He has brought '**heaven to earth**' -- and this has been about taking evil to hell. The devil's contract has expired. The devil is done. He can't kill or destroy anymore. But be aware, there are still a few minions out there.

We have to love on people and to let them get it out because this is going to be very traumatic for a lot of people. We are moving into God's economy. The foundation is love. We must prepare for the harvest that is taking place. It's unbelievable. We are in the time of miracles where everything is turning around.

It is about love and our hearts. Our hearts are the key. If our heart is **PURE** - - and we are not picking up offense, then God has already released us to not have to take care of other people. Now the Holy Spirit can go to work on our hearts.

All of this was supposed to take place on Sep. 11, 2001, but evil came in and foiled everything. God could not lift a finger to help man. We have had to wait but the promises are now being fulfilled. This will now be '**heaven on earth.**'

Now God will get to do everything he promised. This is his eternal revival. This revival isn't going to leave. It is only going to intensify. After the Quantum

Financial System (QFS) changes and we receive our **inheritance** and **restoration** -- we will be able to love on people.

What Will Happen If We Have Martial Law

Who knows if there will be Martial Law or not in your area. Many cities won't even see the Military. The Military is probably already deployed in the problematic cities such as many of the blue states that have a large Antifa/BLM presence.

They might ask us to stay inside while they make the last of the arrests for safety reasons, but we will never allow them to put us in our home again. Not now that **#WeThePeople** are **FREE** and **Sovereign**.

The Military will only be there to keep the peace as the last of the Satanists are arrested and taken to GITMO. There are still a few minions out there. The Military will probably also be there to pass out foods to those who did not know this would happen, especially to the elderly, but we have to take care of each other by looking out for our communities and neighbors.

The Military might completely take over until there are new elections held in 120 days. If this is the case make sure you don't elect any Career Politicians, Lawyers, Movie Stars, Lobbyists, and Pastors. Try to elect current or former business owners that can help bring Mom and Pop businesses back quickly to communities especially food growing businesses.

Prepare For the Emergency Broadcast System (EBS)

The EBS will be announced on your cell phone, and by text and email. The messages will come from Starlink so you won't be able to delete the messages. We will be asked to stay where we are at – or idle in place like with the first close-down -- probably - so try to stay close to home over the next few days and weeks.

It is the Truman Show: We are getting first-hand knowledge from people who don't know what is going on. Everything is scripted. The people you see are not the people you think they are. They are using Actors, Hollywood

masks, #BodyDoubles and CGI. It is the Truman show and has been for quite some time.

We will get an EBS and Disclosures on what has been happening behind the scenes. Some people will love what they see and hear and some want. The ones you think are dead are actually alive and the ones you think are alive are dead.

Some you thought were the bad guys but might actually be playing a role or a part in the movie – so prepare. If you haven't put two and two together by now – then get ready. Life will never be the same again.

Have enough food, water and gas for a two to three weeks. I just don't think anything will be off that long because all medical records are on computers -- but prepare accordingly. Once we have the EBS -- we won't have the internet for 3 to 10 days -- so backup all your records, photos, music, etc.

Prepare as if it is tomorrow. It will come like a thief in the night. Everything will go dark. Everything will be off. The stock market will shut down. They will turn on your TV, phone and internet so you can watch the Disclosures and it might also be shown in movie theaters -- maybe. They will be broadcasting in 8-hour blocks, and it will be running 24/7.

The Disclosures will be 3 to 10 days and they will tell you what has happened and even show some of the Military Tribunals and even Public Executions. It will be longer in certain areas where much of the corruption took place such as Los Angeles and New York, so basically, it depends on what part of the country you are located in.

They want everyone to watch and listen for 3 to 10 days. The switch will be flipped back on but it will be different energy (aka **#GoodEnergy**) because evil will be gone. It will be a different internet. We are going to be our own banks. There will be no more corruption. We are getting ready for our perfect world of abundance.

What You Should Know About Redemption Centers

First, let's look at the word **#Redemption**. It means atonement for guilt. There is a Redemption process coming called **Redemption Centers**. We all

have to go through Redemption Centers to claim our Nesara money that has already been paid for. It is called a **Quantum Financial Access card**.

Wells Fargo is the designated company or bank that mirrored all bank accounts onto the new Quantum Financial System (QFS). Everything has been mirrored onto the Quantum Financial System (QFS) so your money is safe including your 401ks and other retirement funds.

Just be careful with brokerage platforms, which are not mirrored to the new QFS system like banks, so therefore, you should remove what you have out of there before the lights go out.

The process is everyone must go through Redemption Centers, but don't panic. We are trying to give everyone information so they can get their hearts prepared to go into this new financial system, Quantum Financial System (QFS).

God has asked that you have a '**good heart**'. So, whatever you must do to get there – whether it is repenting, forgiving others or what, then prepare now. Forgive others and get rid of the bitterness in your heart.

How To Set Up Appointments for Redemption Centers

It will probably start with the Gesara Announcement, where all your bills will go to zero (#DebtJubilee). Then you will have the EBS then Disclosures.

After the Disclosures -- you will receive an email or text (or possibly a phone call) from Wells Fargo, whether you bank there or not or even whether you have a bank or credit union account, you will still be contacted and given a 800 number to one of the **eight (8) regional call centers** and they will give you an appointment with a date and time to appear at a Redemption Center, which will be within 50 miles from your home.

Have gas in your car to get to Redemption Centers, which will be guarded by the Military. The entire process should take 30 days or less. You should receive info from the EBS about Redemption Center appointments, but it will be a lot to take in for those who haven't been paying attention.

A couple of banks have said they will be providing 800 numbers at the website www.DinarRecaps.com and Wells Fargo should start filtering

Gesara calls the closer we get to the **Gesara announcement**. But I am not sure about this.

The call centers will need to make sure they verify who you are -- but please BE CAREFUL giving out info to anyone else. This is supposedly a **NEW SCAM** that many are going through now, so again, be cautious giving out your personal info -- unless you actually called the **#CallCenters** with the 800 number you received by email or text.

Just answer a few questions so they can verify who you are. They might also ask you at that time to do a 'Verbal' or 'Oral' - **Non-Disclosure Agreement (NDA)**. Basically, they will ask you not to disclose to anyone where you are going and where these Redemption Centers are located -- for your protection and for the Redemption Centers' protection.

Also, if you have a disability that will stop you from walking into a Redemption Center, tell them on this phone call. I am pretty sure if you are too sick, disabled or homeless, I doubt seriously if they will give you your Quantum Access Card at that time. They might have mobile units to deliver the cards, but I don't know.

Family members cannot pick up your **Quantum Access Card** or access your information because each card will carry your vibrations. Your vibrations are unique to you.

Your Redemption Center appointment won't be the same time as your husband or another family member so if you can't drive, they can bring you. The Military will be guarding these Redemption Centers so they will be watching the parking lots too so don't linger around.

Redemption Centers are not banks, but your appointment might be in an empty room at a bank, especially in rural areas. Many Redemption Centers are just buildings. There are 7000 across the U.S. In less than 30 days -- they will process everyone in the U.S.

Again, this is not the time to start up conversations or even discuss any ailments. Your goal should be to get in and get out of these Redemption Centers so they can process others so move to each station as quickly as you can.

Do not arrive more than 10 minutes before your appointment. If you arrive early, they will send you to the end of the line for the entire process so follow instructions.

The reason they are telling you not to arrive too early is they don't want people to arrive 2 to 3 hours before their appointments. You certainly won't be allowed to wait inside if you arrive that early.

You can have someone escort you to your Redemption Center appointment, but if you can physically go in the back by yourself then you should. Otherwise, you will be taking a chance of them keeping quiet about the Non-Disclosure Agreement (NDA).

Husbands should accompany their wives to these appointments for safety reasons in case the centers are being watched and criminals are plotting to follow people home. Chances are whoever accompanies you can sit out front in a waiting area -- maybe.

You will probably be told to leave your phone with someone else or on a table out front or just turn it off. **Bring a state ID and passport. Bring a notepad, pencil, and pen.** The enemy had you convert over to electronic statements so keep regular screenshots of your bank accounts so you can see what you have because the system will go down. Archive everything including online photos, music, etc.

Ten (10) minutes before your appointment, you will enter the building and walk down the hall and go into a room with a chair and screen (**#StationOne**). Then they will proceed to scan you to see if you have a **GOOD HEART** or **PURE HEART**.

Don't pick up offense at people. Just send them love. If there is offense in your heart, that could be a disqualifier. There could be 5, 3, or 2 more doors. One door leads to the second **second (2nd) station**. Others might lead somewhere else that isn't good or a transporter door. Take this message to heart.

You Can Swap U.S. Dollars and Foreign Currency: The second (2nd) step or station, if you pass the **#PureHeart** test at the **first (1st) station** is you get to redeem any U.S. or foreign currency.

No one knows how much currencies you have. You can bring up to \$5,000 of U.S. currency (the old Cabal Banking System Fiat money) to swap for the new money -- **#RainbowCurrency** or you will be able to swap out the Fiat money later on in banks. Tell them you would like the higher rate if you are swapping Dinar or other foreign currencies.

They Will Create Your New Quantum Access Card with Your Vibrations

Everything that you present will be added to your **Quantum Financial System Access card**. Then they will make your card. **You will add your vibrations to the card.** It is not duplicatable to anyone but you. It isn't your spouse's card. It is your card.

You Will Receive Your Quantum Card, Your Quantum Phone and Your Quantum Computer and Will Log in and Create an Account

Then you go on to the next station and receive your **Quantum card**, your **Quantum phone**, and your **Quantum computer**. Then log onto your computer and create a password. After logging in look at the Quantum amount you will be receiving. When you see the balance on your **Quantum Access Card**, you might pass out.

Remember you and your birth certificate were sold on the open market when you were born so you are a **"Trust Fund Baby"** (<https://conta.cc/3OdPCkl>) Be careful exposing how much is on your card, even to family members, so you don't become a victim of crime.

There is more money on that card than you have ever seen in your life so prepare yourself. Again, reframe from disclosing the amount to others. On the card it will be all your money from your bank accounts and Nesara. **This will be the largest transfer of wealth in the history of mankind.**

You will be able to access your money and set up **4 sub-accounts** at one of the stations or you can do this later in banks or Financial Service Centers. I believe they will provide a list of those that can assist you.

You Can Ask for Up to \$10,000 or Just Receive From Your Bank: You can ask for up to \$10,000 in the New Rainbow Currency at your Redemption

Center appointment because it will take some time for banks to get everything moved around.

Banks had to be **Basil 4 compliance** in January 2023 but only 50% complied so eventually, in about 2 or 3 years, many banks will be closing down. Many banks have been repurposed and will be **Financial Service Centers**. Financial Service Centers, which will facilitate how to transfer and move money but there will still be a few banks.

There will be no service fees at Financial Service Centers. **We will be processing everything through Starlink using XRP.** So start taking “**Dave XRP Lion 1**” **podcast classes** on youtube.

All the money will remain on the QFS system with Starlink. Everything will run off Starlink, which is completely '**unhackable**'. It is being protected. Everything has been recorded since banks learned to use computers. It will perform like the clouds. It is a way to guard and protect all of us 24/7 so there won't be any identity theft.

You Can't Say No to Redemption Center Appointments

You have to go to the Redemption Center appointments -- unless you are sick, disabled or homeless, but if I were you, I would try my best not to miss the appointment. It's important to get processed at this time so you can receive your \$10,000.

You can't say no or they, the Military, will come and get you. Just remember this is not a scary process. It is just evil can't exist in the **#NewWorld**. They have to keep evil out, and they figured if they do it like this then they can keep evil out.

If you are not holding on to resentment, carrying ill-will or is bitter – then you should be okay. Everyone has goodness inside of them. So again, this process is not to scare you. It is for us to move quickly to this beautiful New World and keep this Satanic culture out of it.

Get those other thoughts out of your head. This new **Quantum Financial System (QFS)** will be able to stop '**Crimes Against Humanity**' in its track. This is about **#SavingTheChildren** and stopping other '**Crimes Against Humanity**.'

There will be no evil in the **NEW Quantum Financial System (QFS)**. Tens of thousands of people have already been removed from the new QFS system. Many people will have great hearts, but they haven't given their hearts to God.

Again, your heart must be pure. It isn't a scare tactic. This was promised to us years ago. We must make sure we have world peace. If you are a good person, ramp it up and try to talk to family and friends -- if at all possible.

You Might Be Asked to Sign a NDA: You also might be asked to sign a **Non-Disclosure Agreement (NDA)** once you finish your appointment at Redemption Centers. This is of course protection for you and for Redemption Centers. You are simply stating you will not disclose what happened in your appointment, how much funds you received, and where Redemption Centers are located.

They don't want anyone robbing you or Redemption Centers once you finish with your appointment. This is why the Military will be guarding the buildings so don't tell others your plan to go there.

What Happens When Anyone With a Criminal Mind Goes Into Redemption Centers?

They have already scanned everyone. They already know who you are. Anyone with a criminal mind or the minions who are disturbing the peace -- once they go into Redemption Centers, they won't be able to redeem their currency until they pass the first station.

They have to have their hearts scanned first before they can move on. If they don't have a **pure heart**, their money will go back into the pool -- into the Humanitarian Projects' pool and they won't be allowed to proceed.

The Last Door at Redemption Centers Are for Humanitarian Projects

The very **LAST STATION** at Redemption Centers is to acknowledge if you have a Humanitarian Project in mind. Most people or the majority of people won't even know what it means so they will be told they are finished, and they will leave. Read the article at www.CathyHarrisSpeaks.com entitled "**What You Need To Know About Humanitarian Projects.**"

There Will Be Three (3) Groups

The Gesara/Nesara money will be paid out over eleven (11) years -- (\$10,000 or \$100,000 a month???) Maybe \$100,000 to farmers. No one is certain until it actually happens. No one really know how the funds will be divided. The older you are the more you will receive. For others, not retired, the funds will be prorated. The cutoff age is 24 (some say 21 – wait and see) so no one under the age of 24 will receive these funds.

There are three (3) groups:

-Group 1 - Ages 61 and over

-Group 2 - Ages 45 to 60

-Group 3 - Ages 24 to 44

This is not necessarily all the Nesara money that people will receive. That is all the money you will get back from all your income taxes, all the interest you ever paid, and everything they did that was unconstitutional and forced on you. That is all the money that has gone into taking care of Nesara and the XRP buyback for the entire world. This is **generational wealth** that will last for hundreds of years. It is **#LegacyMoney**.

The Qualifications Are The Younger Generations Still Will Need To Work

The cutoff age for Gesara funds is 24 (some say 21) years of age (let's wait and see). The qualifications are you still have to work. The younger you are -- you haven't been in the system that long, so many of you will still need to continue to work and/or produce unless they are **62** (some say age 60 or 61) (let's wait and see).

If you are under the age of 24, you will be a benefactor of the Humanitarian Projects and they won't be paying you minimum wage. Instead, they will be paying you handsomely for your services and don't forget all the Seniors who will need help.

Therefore, there will be plenty of funds for you to build a brilliant future with. Under Gesara, we will be going to 4-day workweeks and 4-day school days. Again, no one need to work 40-hour workweeks -- anymore. You might be able to get just as much done in 20 or more hours than 40-hour work weeks, while you work on **Creative** and **Humanitarian Projects**.

Marriages will be encouraged again, and women can go back to caring for their children and be housewives again or even homeschool their children. Education will eventually be taught at home anyway. Much of the education will be outdoors in nature.

You will no longer need a good credit score to buy things. If you had to rent an apartment and had to have a credit score of 750, now you can buy the apartment building. You can provide housing for those that did not participate in Nesara. They are going to be working for foundations, trusts, and other humanitarian projects.

The first thing people will try to do after receiving their funds is to buy a home. There might not be any cars available eventually so people might need to go on a waiting list for vehicles. Just be frugal and just enjoy the blessings, while continuing to send out love into the universe.

If You Are Not a U.S. Citizen - Go Back Home

Those from other countries who have become **Lawful Citizens** can receive their funds here with **Birth Certificates, Driver's Licenses, and Employment Proofs.**

Others must return to their **native countries** and present proof to that nation of their births and will receive these generous world pay-outs there. The purpose is they want everyone to be with the people that they grew up with and the people they love so they can take care of each other and their communities.

This is not about putting people in nursing homes or allowing Seniors or Veterans to die on the streets. This is about taking care of each other. That country and those people might lose those Humanitarian Projects, such as #MedBeds, if their people don't go home. Everything here will be there too - - so why live here?

You can come and visit – legally – of course as much as you want but your place of residency needs to be in your own birth country. You have to claim your Gesara in your own country. There will be restrictions on travel, but you have to be where you were born to claim your Gesara funds.

6000 Patents and Medical Beds (#MedBeds)

There are 6000 patents and technologies that are being released. This knowledge was hidden from us. Again, the Med Beds should be available to the public within 6 to 8 months.

Once the Med Beds are released to the public there should be an 800 number for you to call to set up your Med Bed appointment for a general healing session, but don't pay attention to any gmail addresses because there are scammers trying to take your money.

Remember the MILITARY Med Beds are FREE. If they are trying to get you to pay for a Med Bed appointment, even a Tesla Med Bed appointment, these are not the **FREE Military Med Beds**.

If the Med Beds don't regrow organs, limbs or do Age Regressions, then again, they are not the **FREE Military Med Beds** from Offworlders. Just know that many people are having side effects from using some of the other Med Beds. Some of the side effects are sleeplessness, loss of 5D consciousness, etc.

The Military will be over the Medical Beds initially, but it is their goals to turn the beds over to the humanitarians. The children that were rescued have already been taken off planet and healed.

If you can't wait to be treated for 6 to 8 months, then seek out Holistic and Natural Healers. Every city has Holistic and Natural Health Healers so these are the people you need to seek out now or look for them online. Local organic food growers, and health and wholefood stores will know where to find them.

If you know a person or if you are the person with an injury, and if you have a **qualifying disability**, which might be a terminal illness, they will have **Medical Beds (#MedBeds)** to treat you, but until they get ready to release Med Beds (**6 to 8 months after the Gesara announcement**), you still will need to deal with hospitals and/or natural and holistic healing.
