Is TikTok a Form of Mind Control?

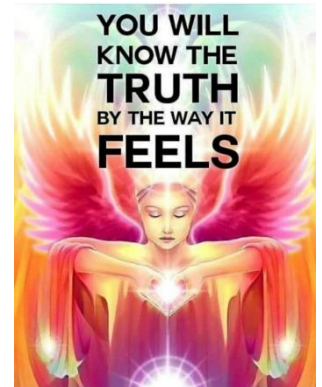

If you really want to start studying **Spirituality**, join the **Flat-earth movement** because that is exactly where it will lead you. Six months ago, I ended up on TikTok for 4 months before being **permanently banned** from their platform as a **former whistleblower** (www.TheCathyHarrisStory.com) speaking the truth. I was banned from Facebook months ago. We know that the CIA and DARPA founded **Facebook**, which also owns **Instagram** (aka **#PedoGram**), but have you ever been on TikTok?

Supposedly, TikTok will be going bye-bye by Jan. 2024. Anything that divides us, including certain social media platforms will be going away. Many people don't know how they are influenced by the sad '**low-frequency**' music on the TikTok platform that keeps them in a saddened state. It is obvious that the CIA also controls that platform too. Every other video on TikTok is about **FLAT-EARTH** and **NASA.gov** so TikTok is a form of **#MindControl**.

Are the Flat-earthers Trying to Hijack the Ascension Process?

It is the belief of many Spiritualists that the **Flat-earthers** are trying to hijack the **Ascension process**. They are an extremely large national and international group that meets in meetup.com groups and other groups all over the country. However, many Spiritualists believe they are in the **2nd dimension**, which is the "**Underworld**". Many believe they are using platforms like TikTok to put everyone under **#MindControl** and of course it is all orchestrated by the CIA. When I got to the point of joining the Flat Earth movement, I was on TikTok, and I could see clearly how that platform was used to keep everyone thinking one way about the earth. As an Intuitive none of the info resonated with me so I started posting rebuttals and was kicked off TikTok for good. Everyone was speaking from their ego, and no one was responding **spiritually** or **intuitively** when you ask them about the flat earth. They simply direct you to online info that some other flat-earther had posted. **Again, as an Intuitive, I am not going to waste my time on anything that doesn't resonate with me.**

You know that tingling feeling when you read something or listen to something? That is your soul telling you that this is truth

Why It Matters If The Earth is Flat or Not

There were a ton of pilots on TikTok saying the earth was flat. Quite frankly I don't care if the earth is flat or not. **Why does it matter if the earth is flat or not?** It matters because it would mean that NASA.gov lied to the American people and we can't have anyone lying to us especially to our children.

People often ask, why would NASA make all this up?

The answer is very simple and straight forth from a financial aspect alone.

365 (days) X 63 (years) with funding on average of \$55,000,000 dollars a day from tax payers.

They had \$1,264,720,000,000 reasons to lie.

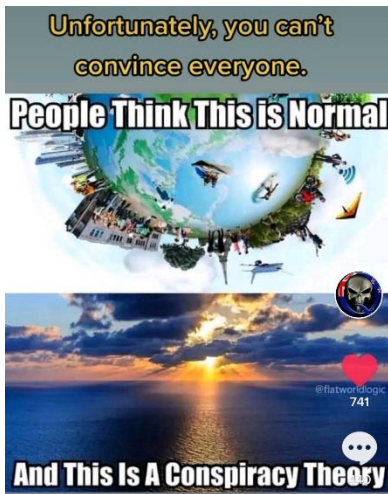

Nasa.gov logo is that of a snake's tongue and that should tell you how evil the 4-letter government agency is. I discovered NASA.gov landing on the moon was a **hoax, scam, and false flag**. All you have to do is watch **Buzz Aldrin**' reactions (2nd man to walk on the moon) when landing on the moon is discussed anywhere in public. And I have personally heard him say on TV and social media that **THEY NEVER LANDED ON THE MOON**. The Space Shuttle Challenger **NEVER BLEW UP** either. All but one is still alive today. Two are claiming to have a twin.

#PrisonPlanet and no one has ever left the earth. Many of these flat-earthers constantly say there is a **FIRMAMENT (or DOME) over #PlanetEarth** like they said in the bible. They are quoting the bible even though much of what is said in the bible is incorrect and there are many missing pages of the bible according to **Theological Expert David Straight** (www.StraightEvents.com).

There are half-truths on TV shows, but you have to be awake to be able to decipher some of the info. We know that the CIA created Hollywood and the TV to keep everyone under a form of **#MindControl**. They even created a TV series called "**Under The Dome.**" This was to let the people know they were indeed living in a 'dome-like' prison. Therefore, all the people in the doom **LIVED IN FEAR (3D world)** and were told if they left the doom they would die. However, two people did finally leave the doom and it was absolutely beautiful on the other side.

Nasa.gov Spacesuits vs. Underwater Suits

Supposedly over 80% of the ocean has never been explored. Nasa was exploring the ocean but stopped and turned their attention to space. Is

there something down there that we are not supposed to see?

Some believe you have to go through the ocean to get to space. Why are Nasa.gov spacesuits exactly like the underwater suits worn to explore the ocean? Many believe that many of the films where Nasa is supposed to be working out in space or even pictures of aircraft traveling into space are actually under water. Where do the lies stop when it comes to the government?

Is There a Firmament or Dome Over the Earth?

The TikTok video of **Space X** crashing into the firmament goes out regularly on TikTok to remind everyone that there is a firmament or dome over the earth and that this is a

According to **Ismael Perez**, the author of "**Our Cosmic Origin,**" other Spiritualists and probably Astrologists, there is **NO firmament or NO dome** over the earth. The firmament is not a permanent thing. It is part of the ionization process and spaceships do go in and out of it. There is also physical evidence that many asteroids and comets have crashed on earth, so no firmament or dome is stopping it. They are saying that the sun, moon and stars are all located inside the dome, but this would mean that there is **No GALAXY**, and that astrology is basically a lie. However, what most people don't understand though **astrology** (and **numerology**) is accurate.

One flat-earther was adamant that there was a dome over the earth and that we live in a **simulator** like a **'hamster on a wheel'** and that everything inside the dome is **holographic** and the earth is like a sphere. He constantly bragged about how many followers he had so he was speaking from his ego. But how do you explain the **TWO suns**, the **TWO moons**, the splitting of the skies and the switching off of day and night in certain areas of the country that we all have seen on social media since 2020, especially on TikTok? It is just another **CIA Psyop** or **Project Blue Beam** when the government can put images in the sky that looks real. This is how they put the **UFO sightings** in the sky.
