Hello Family:

Who is CathyHarrisInternational.com?

As most of you know I stopped the **dark newsletters** <https://cathyharrisinternational.com/enewsletters-articles/> that I had been writing since 2020 on May 22, 2023. I am so glad of my decision to do this.

Now I have become a **#NewEarthEducator** so I am writing a **NEW Spiritual Newsletter** at <https://cathyharrisinternational.com/spiritualnewsletters/> to help everyone transition into the 5D earth.

I will also be riding around the country (**#VanLife**) with my **New Earth Quantum Food and Business Initiatives** - <https://cathyharrisinternational.com/wp-content/uploads/2023/08/Flyer-Mobile-Quantum-Food-and-Business-Initiatives.pdf> -- and will be holding community Think Tanks and teaching communities how to grow foods inside and outside of their homes and in communities and how to bring back Mom and Pop businesses. Let me know if you want me to come to your city for 2 to 3 weeks.

I will also continue posting regular **traveling videos** on my **YouTube channel** at www.YouTube.com/SimpleLifeRVing (subscribe today).

Will You Stay in the 3D World (aka "The Matrix") or Move On to 4D and 5D?

People wanted to know if the earth will split into two earths during the Ascension process. No, there are **TWO EARTHS** currently running side by side with each other – the **3D toxic earth (or #TheMatrix)**, where there is nothing but turmoil, sadness, and crime and the **5D Earth or 'Planet Terra', the Spiritual Earth**, where there is nothing but love, peace, joy, and happiness.

If you are a good person, you will transition into the 4D earth on **Planet Terra** along with your family if they are good. However, if you work on raising your vibrations and frequencies you will transition into 5D or higher dimensions. Again, if you are still living in chaos, turmoil and still fighting, you are still living on the 3D earth.

You did not have a choice in the past to move out of this type of environment but now you do. So, what is your decision? Read my **Spiritual Newsletters** - <https://cathyharrisinternational.com/spiritualnewsletters/>

Most of us or the Spiritualists, have already moved over into a 4D or 5D earth or even into higher dimensions because we are continuously working to raise our vibrations and frequencies (see list at bottom).

So again, I have moved on to another timeline, but I **lowered my frequency** to write this newsletter today because I think this information needs to be said. Basically, you need to be reminded that **YOU ARE STILL WATCHING A MOVIE**. Nothing has changed since I stopped my enewsletters <https://cathyharrisinternational.com/enewsletters-articles/> in May 2023, when I walked away from the movie.

I know that many of you are confused but just remember most of what you are seeing is nothing but a movie to wake up the masses of people so they too can transition into a 4D or 5D earth. Nothing on TV is real either so turn it off and work on raising your vibrations and frequencies.

Nothing is real and many have been **GITMOED** and replaced with body doubles wearing Hollywood Masks, or they are using CGI. Many industries have been taken down to form a **NEW 5D EARTH**, but some of these changes you won't see for 2 to 3 years, but a **NEW WORLD** is forming right around you.

Therefore, learn everything you can about Spirituality and your **NEW FUTURE** so you can transition into a 4D or 5D earth or into higher dimensions. Again, read my **Spiritual Newsletters** - <https://cathyharrisinternational.com/spiritualnewsletters/>

Trump Did Win the 2020 Election

Trump was asked to run for office by 200 Generals that were a part of the **White Hat Alliance** -- to rescue children and bring in a new financial system, Quantum Financial System (QFS), which could track funds and stop '**Crimes Against Humanity.**' He was asked because he was a **business owner** and **economist** and had attended military school.

As soon as Trump took office in 2017, he wrote 3 Executive Orders to **#StopHumanTrafficking** and started making mass arrests for 'Crimes Against Humanity' - which included Pedophilia, Child, Sex and Human Trafficking, Adrenochrome and Organ Harvesting, Murders, Rapes, Treason, Gun Running, Money Laundering, etc.

Child rescue efforts were under the direction of the U.S. Military and President Trump – our still duly elected U.S. President. You see, during the Nov. 2020 Election tabulation the U.S. Military ran programs in tandem with the fraudulent Dominion machines that proved President Trump had won the 2020 President Election.

In 2021 Donald Trump instigated the **Insurrection Act** and turned over control of the country to the **U.S. Military** and an interim **Military U.S. Government** has been running

our country ever since. Again, Donald Trump is still your President and there have been to date over **107 assassination attempts** on his life including the one last week.

What Was the Job of the Military and White Hat Alliance?

U.S. Special Ops Military forces numbering over 10,000 began training in July 2018 for the rescue of children from the illuminati' DUMBS – deep underground military bases – an extensive tunnel system that ran beneath every major U.S. city as well as every major capitol throughout the globe.

Since then, the tunnels were found to contain millions of tortured children, whole cities and human experiment laboratories that included organ and Adrenochrome harvesting of traumatized children's blood.

Sidney Powell, Trump's former attorney and a **GITMO Prosecutor**, said she was going to **"release the Kraken"** and put everyone in jail in Nov. 2020. All the elite members of the world are being secretly detained or have been executed in GITMO.

High-ranking VIP members of what many call the Deep State – also known as the Cabal, Illuminati, or the Global Elites are being accused of unimaginable human rights abuses and corruption. Are the walls of GITMO's prison echoing with the pleas of the powerful?

Everything was done 2 or 3 years ago. All the bad people were taken out. All the bad people were executed. All the bad people went in front of Military Tribunals, and it has all been done. This is why Donald Trump can say **"Nothing can stop what is coming because it's already done."**

Emergency Broadcast System Test Date is Oct. 4, 2023

The problem was **"The Swamp Ran Much Deeper Than They Thought"** so this is why it is taking so long. Donald Trump goal from day one was to stop **ANY TYPE OF CIVIL WAR** from happening. However, if **#CivilWar** does happen the Military can step in with **#MartialLaw** and the EBS can go off. There are military troops in over 300 U.S. cities especially the problematic cities.

Remember Donald Trump' goal was never to scare the people. Therefore, they are now telling everyone upfront when the EBS is going to be tested nationwide, which probably means it will go off shortly after the test. Supposedly, in the month of October 2023 on Oct. 4, 2023, on Wednesday, there will be an **EBS Test**.

The EBS will send out alerts and there will be **"10 Days of Darkness"** -- where there will be shutdowns. Banks will be closed. ATMs will not work, nor will debit/credit cards. We will need to have a minimum of 3 weeks of food (food for animals), water, medicines, and a power source (generator) if possible. There will be 24/7 education for people airing 8 hours/reruns 3 times a day. The government will be shut down and replaced.

They also have asked that most of you (except essential medical personnel) stay home during that time so they can show **DISCLOSURES** of what happened (#MilitaryTribunals, #PublicExecutions, etc.) and so they can also make the final Deep State Arrests. They are going to force ALL to watch tribunals (recorded) to avoid a civil war.

We are currently under a soft or partial form of International or Global Martial Law. Supposedly, Martial Law is in seven (7) U.S. states. **The Emergency Broadcast System (EBS) or Emergency Alert System (EAS)** have been changed to **Emergency Wireless System (EWS)** and this bad movie is getting ready to end.

How Will They Get Everyone To Go into Redemption Centers?

Unless they get a message from their banks saying they need to go into the Redemption Centers to exchange their debit or credit cards, I just don't see how they are going to get the ones still asleep to go into Redemption Centers. I am pretty sure they will receive announcements from the EBS, but this will still scare everyone.

There are over 7000 Redemption Centers in the U.S. but some will only stay open for a couple of weeks. Others in more populated areas will open for 30 days so don't procrastinate going into these Redemption Centers when you get your notice from Wells Fargo.

Many Will Lose their Gesara Funds Due to Their Non-Disclosure Agreements (NDAs)

Many people can't keep their mouths shut. They like to talk, talk, and talk and brag, brag, brag while buying new shiny materialistic things. You know who you are. Anyone going into Redemption Centers will probably have to sign an NDA -- not just those with bonds and the Humanitarians, but it is possible that everyone will be required to sign an NDA. These NDAs might last anywhere from 30 to 90 days or even longer for those with bonds.

Remember if you tell others about your Redemption Center appointments, where Redemption Centers are located, how much funds you received, or whatever is forbidden on your NDA (so read it often) you can lose all your funds.

Also, if you partner up with the wrong people and they are involved in 'Crimes Against Humanity', you can lose your Gesara and Humanitarian Funds so be careful. This includes telling those that you are involved with in a relationship.

They will be recording all your conversations on phones, texts and social media. Unless your family (husband, wife, children, etc.) is on your NDA, you can't discuss anything with them either. Read the section on NDAs in the article entitled "**Preparing to Move into the New Quantum Financial System (QFS)**" at www.CathyHarrisSpeaks.com.

Others Will Lose Funds Because of Criminal Acts

While we were waiting for Gesara to go through, many have chosen a life of crime. When you go into Redemption Centers, some of the workers will know telepathy and there will be telepathy machines there so they will be able to read your mind and will know that you are a criminal, which will cause you to lose all your Gesara funds.

What Should You Be Doing Now Regarding Your Med Bed Appointment?

Many will think Med Bed centers are cloning centers so it will take a while for others to come around. Once they see changes in others and hear testimonials, many will probably choose to leave the current medical system and use Med Beds.

There are over 8300 Med Beds centers currently in the U.S. Everyone will be provided with a **GENERAL HEALING SESSION** with a Med Bed Center probably two months after Humanitarian Funds are released. Unless you are housebound or bedridden, you should have a **solid health maintenance plan now**, or you can be turned down for your Med Bed appointment.

If you are not doing anything to have good health, not just eating good, clean organic foods, but actively engaged in some type of daily physical activity, they will know. You should also be writing down what you want changed on your body and a list of all your ailments and past health issues so go back and read the article at www.CathyHarrisSpeaks.com entitled "**What You Need To Know About Med Beds.**"

Poisoning Patriots and Truthers

Patriots and Truthers have been targeted since 2020 or sooner by the Deep State. At some of the Patriots events some were exposed to poisons, which took months to heal from so be careful attending these events.

ShariRaye, a Patriot who has a Patriot news channel on Telegram and Bitchute.com, said they sent poison to her through the mail which made her sick so be careful having your mailing addresses online.

Patriot's Death

-Mr. Trumptastic, a Japan born Patriot and Truther, from YouTube and Telegram passed away about a month ago from a short sickness. Was he poisoned?

-Negative 48, the Gematria expert, who sounded exactly like JFK, Jr., and appeared out of the blue a year or two ago on YouTube, passed away over a month ago in a ski accident. Many said he was making way for JFK, Jr. to return.

Check out the Kennedy's -- Negative 48 is on top right -

David Straight Teachings

We won't have any police violence on a 5D world. David Straight, who teaches **Constitutional** and **Common Laws**, will be teaching all of us. He also teaches communities how to become a "**Sovereign**" **State National**, but under Gesara we all will be "**Sovereign**." Look at his FREE YouTube shows, send donations, attend his events and buy his thumb drives at www.StraightEvents.com.

Bonnie Straight is Still in a Texas Jail

David Straight's wife, Bonnie Straight, who is a major advocate against the CPS, has been in jail since April 2023 in Texas and she has been moved to another jail. As soon as Gesara goes through and we go under **Constitutional** and **Commons Laws**, she will probably be released. **I can't wait to see the NEW CPS laws, rules and regulations.**

I believe her case was caught up under **Maritime** and **Admiralty Laws**. They are trying to give her 4 years because of an old driving citation, but you know they are doing this because of David Straight teachings, especially since he is the one that verified all the missing pages of the Bible under the Vatican with all the stolen gold.

Remember that most people get in trouble with the law when driving a vehicle so learn everything you can now. Read my paperbook, ebook or listen to the audiobook entitled "**Police Interactions 101: How To Interact With the Police in Your Car, On the Streets, In Your Home**" https://www.amazon.com/Police-Interactions-101-Interact-Streets-ebook/dp/B006JUGGQ2?ref=ast_author_dp

Is Tucker Carlson a Kennedy Too?

It is suspected that former Attorney General Robert Kennedy, the younger brother to JFK that were assassinated after him, is actually the father of Tucker Carlson, which makes Tucker also Robert Kennedy, Jr.' younger brother. There are pictures floating around of Tucker and Robert Kennedy, Sr. and there are similarities, so it is possible that Tucker was one of the younger Kennedy children.

The Media Takedown

Recently Bruce from the BigCallUniverse.com said that TV networks are being told to report the truth or be charged with '**Treason**'. I believe most in that industry have already been arrested but again all of it is part of the movie.

Israel is Last to Be Taken Down, #ReligiousCorruption

I finally figured out why they kept saying “**Israel is Last to Be Taken Down.**” It turns out that Israel is not only the **LARGEST ORGAN HARVESTING COUNTRY** in the world, but Israel is last because COVID exposed the corruption in our healthcare and political system so Israel will expose the root of all corruption and evil in our religion system.

Hopefully, this is when many will walk away from religion – raise their vibrations and frequencies and move into a 4D or 5D earth. According to Bruce at the Big Call, disclosures might last until the end of the year so if it was me, I would not wait that long to raise my vibrations and frequencies (see list below).

We might even have the Solar Flash by then and gain our Superpowers. Many are already having vivid dreams and seeing other versions of themselves in their dreams, in meditations, and even in mirrors, which means they are acquiring their Superpowers. Read my **Spiritual Newsletters** <https://cathyharrisinternational.com/spiritualnewsletters/> to find out more.

Human Trafficking and Evil Businesses, #SatanistActs

Humanitarian Funds can be used to patrol and put safety nets in communities. The Military and White Hat Alliance can't be in communities every minute, so communities need to come together and put a halt to certain businesses such as rideshare businesses, Ubers and Lyfts.

I am watching tons of women online discuss their experiences with almost being kidnapped when riding in Ubers and Lyfts, and especially when shopping in big box stores, grocery stores and especially at dollar stores. Dollar stores, like gas stations and truck stops, are such easy places to set up human trafficking traps.

Many of the dollar stores are not connected to malls and other shops so many sit off in a distance by themselves. All the traffickers have to do is sit outside and watch who goes in. They can also put GPSs on your vehicles and follow you home and kidnap you or your children later on.

And many times, people who work in these businesses are human trafficking scouts and human trafficking lookouts and they have said in the media when they were caught that **THE MONEY WAS SO EASY TO MAKE.**

Did you also know that you can tell what **Satanist acts** are offered in certain areas just by looking at the **business signs** and **business logos** when you visit certain areas? We know that many of the businesses will have the **Pedophile (Pedo) Signs** on it, but it is much more than that.

The signs will tell you if the following is offered in the area:
-Sex with Children

- Child Trafficking
- Adrenochrome Harvesting
- Organ Harvesting

This is how entrenched the evil was in **EVERY SINGLE COMMUNITY** so again communities must get involved and clean up their own communities.

Hotel Human Trafficking

Remember the distractions of the submarine that aired on TV and social media for weeks? Well during that time is also when the Hotels that were engaged in Human Trafficking were also being exposed. Many of the hotel rooms contain trapped doors in the floors under the bed or in the closets, and there are hidden passageways leading to tunnels in the back of closets.

At about 9:00 or 10:00 p.m., the front desk clerks who are human trafficking scouts or lookouts, will willingly hand over the keys to your room to human traffickers. If they are caught by hotel guests, many will say the hotels overbooked, but many times if they don't use the keys -- they still can unlatch the doors with a device and come in and take you and your children. **#StayLoadedandLocked.**

More on the Cleveland, OH Kidnappings

What about all the children that are still going missing? Do you really think the Military and White Hat Alliance is going to be able to arrest all the perpetrators on a 3D earth? The 3D earth is done. We are bailing out. We are transitioning into a **NEW 5D EARTH** where there will eventually be **NO CRIME.**

Read my **Spiritual Newsletters** <https://cathyharrisinternational.com/spiritualnewsletters/> and practice raising your vibrations and frequencies (view list at bottom). I found out the **30 children** kidnapped in Cleveland in a two (2) week period in May 2023, were from the ages of 13-17 and they all were African Americans. It was the same with the “**Atlanta Child Murders.**”

Now that Hospitals have been exposed during COVID on how they were illegally killing patients with the drug “**Remdesivir**” and taking their organs -- and allowing children to die to get their organs to pay hospital bills, they are just grabbing children off the streets. Children's organs are in demand and children that age are usually taken for **Organ Harvesting.**

Since many have been GITMOED, the ones left are running low on their Adrenochrome supplies so they usually take babies up to the age of 13 for **Adrenochrome Harvesting** or to be used in ritual ceremonies. They also crave blond hair blue eyed boys ages 6 to 10 for Sadistic sexual acts.

Remember to keep your children offline until we can make the country better. They are bidding up to **\$150,000 for teenage virgins** (preteens and teenagers) online and when they win, they will send in four (4) adults to take your child. Can you stop 4 adults from taking your child? **Just keep them offline!!!**

What Happened in Hawaii? Are The White Hats Really in Control?

Some of the write up in this section came from “**Nino’s Corner TV**” (www.NinosCornerTV.com). He has an excellent show but since Juan O’Savin, who I believe is JFK, Jr., is always on his show, they are using his show to narrate the movie.

However, I don’t listen to his show any longer since none of the Patriot’s platforms no longer serve me in a 5D world, but I did lower my frequency and went back to listen to a show entitled “**Attack on Hawaii – Pearl Harbor 2.O**” with guests Michael Jaco and Kerry Cassidy, a former investigative journalist. <https://watch.ninoscorner.tv/program-group/39937049592742dd72082b4689313578/program/60817aaec4d0b02b444c2557ba08abd7>

The show was about the latest Hawaii mishap, and Kerry Cassidy was calling out Juan O’Savin and the White Hats. I agree with Kerry Cassidy when she stated that Juan O’Savin or the White Hats can’t lead the people in secrecy. Kerry also said the EBS was supposed to occur two weeks ago, but the White Hats stopped it.

But I told you guys that. **I believe the Gesara announcement has been stopped a couple of times so you need to prepare now.** Again, when everything starts it will probably go fast so you need to read the articles on my page at www.CathyHarrisSpeaks.com and share the info with others.

I guess we now understand why the Gesara funds haven’t been released yet. Can you imagine releasing Millions and Billions of dollars into the economy and the Black Hats or Deep State Cabal still be able to put their hands on it?

Are we supposed to believe at this late time in the game that the Black Hats still have control of these Direct Energy Weapons (DEWs)? This movie started in 2015. I got involved in 2020 and walked away in 2023 to raise my frequency and transition into a 5D earth.

So, what exactly happened in Maui? Don’t forget that this attack happened on the Lion’s Gate Portal of 08-08-23, the peak day and the strongest day for manifestations. So, was this a planned attack by the Deep State to gain loosh from the people and laugh in our faces?

Was it payback for taking down the Deep State or was it a failure of the White Hats? They are calling the Maui attack a massacre, a Pearl Harbor attack and a 911 (Sep. 11) type of attack and Kerry Cassidy believes it was a **DIRECT ATTACK** against our Military and/or Space Force, who is the new **Solar Warden**.

They said more people than 911 was killed, which I believe was over 3000. This wasn't about destroying the island and bringing in Smart Cities. Most people are smart enough to understand the Smart Cities especially after the ideas were shot down over the last 3 years in the Deep State "**Pilot Cities**" of Chicago, New York, and San Francisco because the people spoke up.

The 15 Minute and Smart Cities were a part of the **2030 Agenda**, which included the **One World Government** and **New World Order (NWO)**, where they planned on moving everyone into these cities and monitor everything they do -- but again **IT WAS DEFEATED** by the people.

The Satanist Globalists are no longer in control and have been wiped off of this planet, however, there are still a few minions out there causing havoc, but they don't have any funds to do any real damage.

The threatened exposure of a **Deep State Pedophilia Child Trafficking Ring** centered in Lahaina - Maui - Hawaii was now believed the main reason behind the Direct Energy Weapon Attacks (DEW) that devastated the area. Supposedly, there are 2400 children missing in that area in a Winfrey, Gates (died in 2013), Zuckerberg, and CIA Child Trafficking cover up.

Kerry Cassidy said they destroyed a major military base and over 500 children were killed. Many believe the children were not killed in the fire but were shipped out beforehand and are being used for Satanist sacrifices?

Again, this could just be a part of the movie. Many are saying no one is providing DNA to claim the bodies of the children or that no one is actually looking for the children. Is this because they have been told to remain silent because there are **NO MISSING CHILDREN** or were complete bloodlines wiped out?

Supposedly, according to Bruce from the Big Call Universe, the Hawaii fires were caused by the Deep State Cabal by using **Direct Energy Weapons (DEWs)** just like they did in Paradise, CA, other California fires (where a FREE Mason building was left standing), the Oregon fires in 2020 and also the Boulder, CA fire that burned over 150 homes.

There is a reason they build all these houses in the hills like in Paradise, CA then only have two roads to exit. This way they can use the Direct Energy Weapons (DEWs) and block the roads so the people can't escape. But many said this time government utility vehicles and police blockades also blocked the roads. The construction of future homes should include more ways to exit communities.

I heard the Black Hats started the fires, but the White Hats did come in and burn out the tunnels. Supposedly, the White Hats found bioweapon labs, DUMBS, Submarine Docks, and Tunnels all over the Hawaiian Islands. I am just surprised that they waited now to take these out.

Supposedly, the island had to be destroyed in order to give it back to the people. And all of us have seen since 2020, there will be **#CasualtiesOfWar**. None of us know exactly what happened and I won't speculate on it any longer.

What Is Really Happening in California - #FreedomCities

According to David 'Nino' Rodriguez on "Nino's Corner TV" -- the California governor sent a billion dollars to China. In the big cities in California everyone is leaving. Their plans are to destroy America and not just take cities but to take states such as California, Oregon and even Texas.

He said Trump has said we are going to lose 13 to 15 cities, so this is why he has been discussing building new "**Freedom Cities**." But I believe the Freedom Cities are just a way to help bring in a new 5D world.

California was number one in Human Trafficking in the U.S. then New York was next. Ukraine had the largest Human Trafficking operation in the world. Even though the Asian population in Oakland, CA is low, they have an Asian Mayor, where the non-profits there have called for a "**State of Emergency**" because of all the missing African American women and children. Many are taking their families and leaving the area but said they would like to return in 2 to 3 years.

California Storms, #TheEndOfTheDeepState

I heard from a credible source that the White Hat Alliance is making a last-ditch effort to get rid of the Black Hats or Deep State Cabal and this is why they just had the California storms. Of course, the White Hats have access to the HAARP machines that can cause these storms.

We know that most of the Human Trafficking were taking place in connection to Hollywood, so supposedly the last storms were to flood out the tunnels in the Hollywood and Los Angeles, CA area along with other problematic California areas. **#TheEndofTheDeepState**.

Hollywood is Closed Down and No One Cares

It looks like this is the end of "**Pedowood**". Most of Hollywood that weren't guilty of '**Crimes Against Humanity**' ran out of town to Texas, Florida, Oregon and other states and smaller cities over the past 3 years. Many are writing books or have podcasts trying to stay relevant, but no one is thinking about them but the 3Ders who are not going to ascend anyway.

Those you know that are under **#MindControl** and are still watching TV, going to church, and bowing down to the Movie Stars, Entertainers and Politicians. The ones you think are dead are actually alive (over 900 are in Witness Protection) and those that you think are

alive are dead. They have been using body doubles wearing Hollywood masks and CGI for quite sometime so **Hollywood (aka “Hellyweird”)** is finished.

What Will Happen to “Lil Hollywood” aka Atlanta?

I am barely keeping up with Trump’ latest debacle and supposedly arrest in the state of Georgia, especially since it is a part of the movie, but everything he does is to expose the system. Basically, Trump is destroying the **two-party system**. Again, anything that divides the country won’t be tolerated on the **NEW 5D EARTH**. And of course, if Trump is arrested, it won't be the real Donald Trump. It will be a **#BodyDouble**.

Out of all the places that Trump could have chosen to have another political showdown and expose the political climate, he chose Atlanta, GA, which is my old stomping ground, so I am very much up to date on what happens there.

Texas is currently my home state, but I was born and lived in Georgia for 40 years, where I lived in the Atlanta, GA area for over 20 years so I know first-hand that -- **Georgia did not turn blue - #TheyCheated.**

Remember Trump’ last arrest and showdown was in New York, and I believe that D.A. there ended up GITMOED. This go round he chose Atlanta, GA, which I refer to as “**The Belly of the Beast.**” If “**Big Hollywood**” in Los Angeles and Hollywood can be taken down, then “**Lil Hollywood**” (aka “**Atlanta**”) can also come down just as fast.

Unlike aka “**Big Hollywood**” you don’t have to flood out the city of Atlanta to kill off the Reptilians in caves and tunnels there. Most of the evil doings in Atlanta, GA are above ground right in your face.

The evilness there is in the **regular religious forums** where the ‘**men of the cloth (Pastors, Preachers, Bishops, etc.)**’ criticizes single mothers and make them feel worthless, simply because they are trying to protect their families. But yet, they expect them to show up in all their churches and hand over weekly donations.

Because stealing cars and car shop places are thriving industries there even though its illegal, many single mothers’ cars are constantly stolen and they are forced to ride buses or the rail system to go back and forth, which means many don’t have ways to take their children to doctors, meet with educators on the progress of their children, or gain access to good, clean, organic foods.

These same ‘**men of the cloth**’ have allowed grocery stores and other stores in African American communities to have poisoned foods, which has caused a majority of the young people, those in their 20s to 30s, to have debilitating diseases and illnesses where they have to walk around with canes, walkers and in wheelchairs. **#MedicalGenocide.**

They are also walking around with yellow eyes, which means they are about to experience liver failure and dialysis centers flood many of the communities. This is all because the

so-called leaders there, especially religious leaders, don't confront the corruption or they are a part of it.

I also saw all the corruption on the news media (home of CNN), in the FREE Masonry colleges and universities, Free Masonry police departments and other government offices. The area was just a '**cesspool**' for corruption. Remember 95% of all police departments are FREE Masons.

Since it is the "**Bible Belt**," it is all connected to the Vatican and the Media, Educational Institutions, and Churches are nothing but Deep State enterprises, where they are used as a form of **#MindControl** to control the people.

The state of Georgia real problem was they keep electing **Career Politicians, Lawyers** and even **Pastors** in their political seats, which should never happen. Over 60% of Congress during the Obama Administration were lawyers. All lawyers are liars and thieves according to **David Straight teachings** (www.StraightEvents.com).

The Governor of Georgia, Brian Kemp, a former politician, and Stacey Abrams, a lawyer, and other politicians there have been GITMOED and swapped out for actors, but since the area is a hub for **Free Masonry Secret Societies**, the real change starts when these are taken out.

Taking down the Georgia Guidestones was a good first start but every FREE Masonry lodge, Secret Society meeting, political office, and the entire entertainment industry in Atlanta (aka "**Lil Hollywood**") need to be **GUTTED** and **DESTROYED** for the people in Georgia to enjoy a **NEW EARTH**.

How will they take down all the **Secret Societies** and **FREE Masonry lodges** that are nationally and internationally because none of it will be found on a 5D earth? I am pretty sure these will be exposed during the **Disclosures** along with the Vatican. I guess the new **#StarSeedSuperheroes**, the "**New Guardians of the Earth**" along with the **Space Force Program** or **Solar Warden**, will also have to step up to the plate.

I believe once they expose the religious climate in the world especially in the U.S. and in the south where there is a church on every corner (**#BibleBelt**), many will choose to walk away from religion and move into the 4D and 5D earth. Rome wasn't built overnight but it was built so be patient because change is on the way. There is no way to stop what is coming. **#5DNewEarth**.

New Political Elections are in 120 Days After the Gesara Announcement

Many believe Gesara won't be announced until Trump is back in office and Biden is impeached. Others believe Gesara has already started in the background except for the Gesara announcement so read the 3 articles at the top of the page at www.CathyHarrisSpeaks.com.

Supposedly, there will be **NEW ELECTIONS in 120 days** once Gesara is announced, but none of us know what will happen. **Stay away from electing Career Politicians, Lawyers, Movie Stars, Entertainers, Free Masons and Pastors to any political seat.**

You can elect current or former business owners to help bring back Mom and Pop businesses quickly into communities, but many of the planets and galaxies have councils overseeing them to make sure they have what they need and since there won't be a government on the 5D earth, this is what every single community can do.

Just appoint a council to oversee some of the NEW EARTH changes in your community. This should not be like Homeowners' Associations (HOAs) because many of these are out of control and need to be abolished. But appoint a council of those with #GoodHearts and hold weekly forums so everyone in the community will have a voice. Also, try to plan weekly community projects to work on together.

You don't really have to listen to these individuals because remember you will be "Sovereign," so basically as long as you are not causing harm to others but instead you are loving on others, you will be okay.

However, communities coming together to share ideas, swap information and barter services is a win, win for everyone. If you plan on moving, then of course don't join this council, but study the changes that have been made so you can share these with others in your new community.

Give Up What No Longer Serves You

I am so glad I gave up writing the **dark newsletters** in May 2023 www.CathyHarrisInternational.com/enewsletters-articles. I also gave up many of the Patriot and Truther platforms and podcasts because these no longer served me especially since most were simply narrating the movie. All of these have all been replaced with Spiritual shows and teachings.

Things that no longer serve you could be TV or radio shows, and other podcasts that have turned into distractions. It could also be friends, relationships, toxic foods, cigarettes, drugs, alcohol, etc. You are what you think about all day long? You will manifest whatever you put your energy into so what are you doing all day?

Are You Still Trying to Be Friends With People that No Longer Resonate With You?

Many of you are still trying to be friends or be in relationships with someone who is '**low vibrational**' – instead of moving into your **NEW HEART SPACE** and taking the below steps to **raise your vibration** and **raise your frequency**. People get distracted really easy especially when they are surrounded by certain individuals. Who are you hanging out with and where are you putting your energy?

Get Out of those Dead-In Relationships

Will you leave 'em or love 'em? This is the time of the harvest. This is the time for you to find your **#TwinFlame**. If your spouse, partner and/or significant other is at all Spiritual, then they are probably going to make the shift while you get left behind. Their frequency is going to be too high to continue in the relationship with you so get ready to be single.

Do These ASAP To Raise Your Vibrations and Frequencies and Move Into a 5D New Earth

Remember stop judging others and remove your ego. You can move on to the **4D and 5D world** by doing the following:

- Love on everyone
- Live in gratitude
- Be generous to everyone you meet
- Forgive all your past karma
- Eat high vibe foods especially organic
- Reduce and eliminate alcohol and toxins from your body
- Meditate and do breathwork
- Walk in nature
- Hug trees
- Sungaze
- Laugh more
- Think positive thoughts
