

Get Ready for Your Gesara (Globally), Nesara (U.S.) 11-15 Year Payout

-Read the below 3 articles at www.CathyHarrisSpeaks.com for further explanations:

-Preparing to Move into the New Quantum Financial System (QFS)

-What You Need to Know About Humanitarian Projects

-What You Need to Know About Med Beds

-Say Goodbye to Evil: Over 500,000 especially your CEOs, medical professionals, politicians, movie stars, entertainers, and many, many others have been arrested for ‘**Crimes Against Humanity.**’ The Earth is being purged of evil. All industries and workplaces are currently being **GUTTED** and **OVERHAULED** while we move from a **3rd Dimensional Earth** (aka “**The Matrix**” where there is turmoil, pain and suffering) into a **5th Dimensional ‘Spiritual’ Earth**, where there will be **PEACE, LOVE, JOY** and **HAPPINESS**.

It’s time for you to relax and eat good clean, ‘organic’ foods, love on everyone, laugh more, think positive thoughts, live in gratitude, meditate and do breathwork, go into nature and stay grounded, hug trees, sun gaze, and forgive others. Evil will be going away on a new **5D ‘Spiritual’ Earth** and eventually there won’t be any more crime. It will take 2 to 3 years (or longer) to see some of the more significant **New 5D Earth changes**.

-11-15 Year Payout: The **RV (Reevaluation)** is for those with bonds and foreign currency and everyone else over the age of 24, will gain their **Gesara payouts**. **This is not a Government handout!!!** This is the money that the Deep State Cabal banking system (which is now closed) defrauded from you and your ancestors. Many banks have become Financial Centers, and many are closing or will be closing within the next 2 to 3 years.

-New Banking System: We are no longer a debt slave. We are **FREE** and “**Sovereign**” and transitioning into a **NEW BANKING SYSTEM** -- the **Quantum Financial System (QFS)**. We are going to be our own banks. There will be no more corruption. Your funds will be kept on XRP with StarLink, an ‘unhackable’ system.

-New Law System: We will be leaving **Maritime** and **Admiralty Laws** (laws from the “Roman Days”) and going into **Constitutional** and **Common Laws**, where we will be following the Constitution.

-Emergency Broadcast System (EBS) or Emergency Alert System (EAS):

The EBS will be announced on your cell phone, and by text and email. The EBS is also called **Emergency Alert System (EAS)** and **Emergency Wireless System (EWS)**, which provides the President and Federal Government authorities readily available, reliable, and low-cost means of emergency communication.

-Martial Law:

Martial law is the replacement of civilian government by Military rule and the suspension of civilian legal processes for Military powers. There might be Martial Law in your area after an EBS announcement. The Military is currently in over 300 cities in case Martial Law is needed but they won’t be in every city. They are only in the **problematic cities** so you might not see them at all.

-Gesara Announcement (Your Balances Will Go to Zero):

There will be a **Gesara announcement** announcing we are now under a new banking system. New elections will take place in 120 days after the Gesara announcement. Sometime after or before the EBS or Gesara Announcement, **ALL YOUR BALANCES – your Mortgages, Car Notes, Credit Cards, Student Loans (any bank loan), will go ZERO** — so check at **www.CreditKarma.com**. It might take two or more weeks to show up. Your Social Security funds will be increasing. **Sixty (60)** (maybe 62) will be the new retirement age so those not 60 will still need to work to receive their Gesara funds but they will only need to work 20 or more hours a week. We will get away from 40-hour workweeks. Most workplaces and schools will go to 4-day workweeks. **Everything will be easy on the New 5D Earth.**

-Disclosures:

The **10-day Disclosures** with recordings of **Military Tribunals** and **Public Executions** might start after the internet switchover to StarLink, Gesara Announcement or the EBS so be ready. Stay stocked up with 3 weeks of supplies, foods and medicines for humans and animals. Have cash because debit and credit cards won't work at ATMs and gas pumps. You might be told to stay home and watch the recordings on the TV or the internet.

-Redemption Center Appointments:

Subscribe ASAP to **www.BigCallUniverse.com** and **www.DinarRecaps.com** and look for the messages entitled "**Bruce's Big Call Dinar Intel**" to receive the 800 number (or phone number) from Wells Fargo, the Gesara bank, so you can call and make your Redemption Center appointment. There are 7000 Redemption Centers in the U.S. Everyone must go through Redemption Centers where you will receive your **FULLY-LOADED Quantum Access Card** (with all the cash you paid out to IRS over the past 30 years, your birth certificate bond money and other Gesara funds). You can also ask for new **Rainbow Currency** at your Redemption Center appointment, but you don't need to.

-Humanitarian Projects:

You can keep working on your job, find another job, start your own Humanitarian Project or just work on other Humanitarian Projects while you build the business of your dreams. The choice is yours. We need all Humanitarians to get involved and help build the **New 5D Earth**. You only need to submit 2 to 3 paragraphs for your Humanitarian Project at the last door at Redemption Centers. Again, read articles at **www.CathyHarrisSpeaks.com**.

-Med Beds and Healing Centers for Humans and Animals:

There are over **10,000 Med Beds (and Healing Centers)** in the U.S. and over **5 million** worldwide for **HUMANS** and **ANIMALS**. After the Gesara announcement, you will see Med Bed advertisements and 800 numbers to set up your appointment. Everyone will receive a **General Healing Session** and be offered a **NEW SET OF TEETH**. For many that is all they will need for the next 20 years if they have a **health maintenance program** or unless they go in for another procedure or if they are involved in an accident. **Within the next one to two years, Med Bed Centers will take over all Hospitals, Big Pharma, Urgent Cares, Home Health Care, Assisted Living, Nursing Homes and Hospices.**
