Prepare for the Lion's Gate Portal

The "Lion's Gate Portal" is an energetic portal extremely connected to the **Ascension Process** and especially the **Solar Flash**. The portal is from **Jul. 25 – Aug. 12**, but **Aug. 8 will be a POWERFUL DAY** because it will be the peak day. Whenever you see these repeating numbers (**08-08, 11-11, etc.**) – energetic portals are opening so you can change something about your life.

The 'Lion's Gate Portal' is the **most powerful portal** for manifesting in terms of astrology and numerology. This year it is different than it has been before, so it is even more powerful. This is the awakening from a higher consciousness within. You can switch to a new timeline. These timelines already exist but you cannot see them. It is when the Earth is in Leo and during this time the veil is very thin, which means this will be a great time to do manifestations so write down your intentions and manifestations. It won't give you any growth that you are not ready for. Many use it to manifest success in terms of finances, higher status, or even love.

This is the time to dissolve energy blocks with crystals. Make a crystal grid and put your intentions in the crystals. Write down a list of manifestations and intentions then read the list out loud. Where do you want to live? Where do you see yourself in 6 months to a year? Do you want psychic powers? Do you want telepathy powers? Do you want to be able to astral travel and have lucid dreams?

Write your dreams into reality using a stripping journal. Write as if it has already happened. **Do "I am" sentences.** I am a public speaker. I am an artist. I am a healer with my own practice. I am meeting my star family. I am closely connected to my higher self and my 3rd eye is opening. You can also use a vision board so get a poster board and find some pictures online or in magazines or draw your own pictures. Post this vision board and visualize it throughout the day. Imagine yourself accomplishing everything on the vision board.

Remember you have 3 days after a **Full Moon** or in this case the 'Lion's Gate Portal' peak day of **Aug. 8, 2023 (08-08)**, to manifest what you want. Light a path-clearing candle and clear obstacles with a ceremony or ritual which will amplify the spiritual energy and connections. You can also call in **Archangel Michael**, who is the 'Protection Angel' and is also "**Jesus in Warrior Form.**" Put your attention into your manifestations. You can take a bath and put crystals and sage around the bath. It is very powerful. Bathe in the sound of a crystal singing bowl. You can listen to crystal alchemy singing bowls and other 'Lionsgate themes' on youtube.com.

Meditate and go into stillness and tune into your heart chakra. Ask your heart what it desires of you to live from the highest consciousness of love. Notice what thoughts, inspirations, and ideas arise after asking that question. Remember you are connected to infinite possibilities so your attention will be supercharged.

What Will Spiritually Sensitive People Experience During the Lion's Gate Portal?

You will be undergoing a 'rebirth'. Those Spiritually sensitive will probably receive a Spiritual upgrade. You don't have to be consciously aware of being on a spiritual path for these energies to affect you, but many might notice a heightened increase in ascension symptoms; increased spiritual activity during your dreams while sleeping; and profound self-discoveries. You will receive major clarity about your relationships.

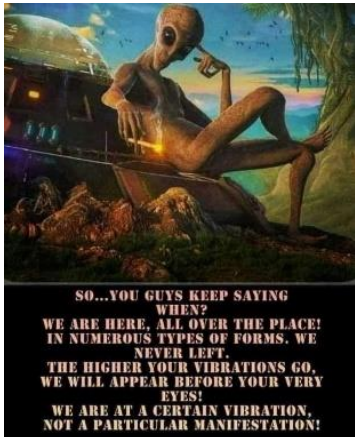

Relationships that are out of harmony will fall by the wayside but those that are important will upgrade. You will also be able to break down 'fear-based' sensitivities, which will help you claim your 'true power' and create a life with an alignment of love.

Which Dimension Will You Transition into After the Solar Flash?

The **Solar Flash** will take place in 2024 or maybe after that – who knows. No one really knows, but it won't stop you from gaining your spiritual gifts. Many are already gaining their spiritual gifts, especially those doing shadow work to raise their frequencies and vibrations. The age of your soul determines everything – and where you will go. It determines what dimension you will transition into after the Solar Flash. The **oldest souls** will go into the 13th, 14th, and/or 15th dimension. The 15 dimension is Christ-like. StarSeeds are at the 5th to 11th or 12th dimension. One hundred (100) individuals will go into the 12th, 13th, or 14th dimension so they will be extremely powerful.

First Contact With ETs, Aliens, and UFOs Will Be Soon

It will probably take us meeting ETs before we will feel comfortable traveling in space. Dolores Cannon, who passed away in 2014, said we won't receive ET contact until we are traveling in space, but others say it will be in the year 2026 or 2028, but I believe it will be much sooner. We know now

that most of the UFO sightings so far have been caused by **Project Blue Beam**. However, many are saying that because we are ascending, we will be meeting ETs soon. The higher our vibrations we will see them in our dreams and in meditations. Many are already seeing paranormal things as we move into the 5th dimension where the ETs are located. They won't just appear in your bedroom. Their goal is not to scare

you. Again, those ETs that were born on Earth are already here. There have been many sightings on people's ring.com door cameras but they are not here to hurt us. Many were born on Earth, so they weren't forced to leave their homes. Remember the **Galactic Federation** got rid of the **evil Tall Greys** and **Draco Reptilians**.

Are You Receiving Spiritual Downloads While You Sleep?

How are you feeling right now? Are you feeling different? Many are going through the Ascension process, but they said lately they felt really calm. But for others, their **Ascension Symptoms** have taken over their bodies. Many said they are sleeping more. Sleeping more seems to be one of the biggest **Ascension Symptoms** and many are even having dreams that they are receiving downloads while they sleep.

For years I had heard that we only use 5% of our brains. The subconscious mind runs the show, but people don't remember. Have you ever driven somewhere and don't remember driving there? That is because your subconscious mind took over the drive. As we go into the Ascension process, we are accessing new parts of our brains so many are remembering something that they haven't done in a minute, which is a clear indication we are ascending and gaining new spiritual gifts.
