Getting to the Bottom of The 75% of People Who Live on Earth that Don't Have a Soul?

After I initially reported to you guys that Val Nek from the Galactic Federation reported on Megan Rose's YouTube show that **75% of people that live on Earth DO NOT HAVE**

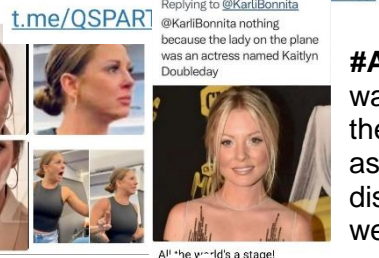

A SOUL, I have done a little more digging. The statement was upsetting for many, especially Megan Rose, who has covered the topic more than once.

Dolores Cannon said in **Vol. 8** that they are 'Backdrop' or 'Backfill' people that we manifested to be in our own movies. She said these are just characters that we manifest like from a hologram to play a bit part in our movies because all our lives are just movies or a play and everyone is playing a role.

According to Ismael Perez, the author of "Our Cosmic Origin," these individuals are **Non-player Characters (or NPCs)** and he said they are working for Artificial Intelligence (AI), the true enemy, who want our **#GodSourceGenes** since we are the **ONLY SPECIES**

– THEY LIVE (1988) WAS A DOCUMENTARY – "You see them on the street. You watch them on TV. You might even vote for one this fall. You think they're people just like you. You're wrong. Dead wrong." – John Nada (Roddy Piper) mostly just wanders around the big city a bit, looking for a job. One day he accidentally finds sunglasses that allow him to see what some people really look like under their faces: they are aliens disguised as humans and they are planning to take over the world slowly. He'll have to stop them, but he's the only one who can see them. That is why John goes in search of the makers of these glasses to help them defeat the aliens.

(cont'd) that carry these genes. Remember that Clones don't have a soul, so therefore, they don't have **chakras** or **auras** so many Spiritualists who can see these can tell if a person is real or not.

Was the Airplane Lady Right When She Said 'This MF Isn't Real?'

I believe the

#AirplaneLady was sent in by the White Hats as part of the disclosures so we all could see who was

living on Planet Earth. Remember the world is a stage. I think the bigger question that we need to ask ourselves is "Are They Here to Harm Us? No, we do that to ourselves by consuming toxic foods and living in toxic environments.

What Dolores Cannon Said About the 3D Earth

Remember in **Vol. 4**. Of my **Spiritual Newsletter** when Dolores Cannon spoke of the "**First Waves of Volunteers**" born after 1945 in the 40s and 50s and many I believe in the 60s, who came to the

Earth to help with the Ascension process and how they hated all the violence?

Dolores Cannon said this in a quote about the 3D Earth "The 3D Earth is damaged -- the food, the water, the sky, the animals are all damaged, and the people aren't getting the message fast enough and there isn't time. They tried to send energy to the Earth, but it wasn't enough. We will be shifting to the "**New 5D Spiritual Earth**" (#PlanetTerra) and millions of people will be leaving at that time because they won't be able to survive the high frequencies. The old Earthers, 3D, won't even know it has happened. We don't need to be held back by fear according to Dolores Cannon."

What the ETs Said About the 3D Earth

The ETs said the 3D world is too violent! Even the ETs don't understand how we can kill anyone. They want us to stop the violence then we can join with them. They love our species and do want us to join them eventually, but they don't like all the violence on the 3D Planet Earth.

This is Why The 3D Earth Is So Violent

The Deep State Cabal tried to kill us at every turn. When I first became a **GMO Food Educator** in 2008, the UK and Australia, despite being major human trafficking hubs -- both said, "**NO TO GMOs.**" I did not understand how these countries were saying "**NO TO GMOs,**" but the U.S. (or Deep State Cabal) said **YES. This is why the U.S. food supply has been poisoned and is causing many to become sick and violent.**

In 2013 as a **GMO Educator**, I went on the road and visited St. Louis, MO, home of **Monsanto** (now "**Bayer**"), to see if it was the food causing us to be sick and violent. I counted 200 soybean crops on my way into the city. Then I found out that **corn** and **soybeans** were the two (2) toxic

GMO foods that were put in **every processed food** in the U.S. I also found out that Monsanto was the **LARGEST EMPLOYER** in St. Louis and also St. Louis was the **LARGEST CRIME AREA** in the country and had been for many, many years and this was because all the GMO foods were causing sickness, "**A-N-G-E-R**" and **violence?**

One of the largest **SIDE EFFECTS** of eating GMOs is it renders the liver dysfunctional. The liver, which is the **LARGEST DETOXIFICATION ORGAN** in the body, and which is over **YOUR EMOTIONS, YOUR ENERGY, and YOUR WEIGHT**, is only operating at 30% (or below) because of GMOs. **The liver can't break down GMOs!!!** This is also why obesity has skyrocketed and did you know GMOs can also cause psoriasis of the liver, just like alcohol?

All the 3D Earth land and soil have been poisoned with GMOs. Monsanto now owns **100% of the U.S. crops**, which are "**Genetically Modified.**" This means the foods were grown from seeds made in a "**biotech lab**" and each contained pesticides and herbicides, which is a **neurotoxin**, that destroys the brain and nervous system. Not only does eating GMO processed foods cause brain issues but the foods have **NO NUTRITIONAL VALUE**. How long do you think you can last without gaining the right amount of nutrition in your body -- not long.

For years Monsanto stalked the **GMO Educators** online until most got offline and disappeared. I know because I was one of them. We were bullied and called names online simply because we were trying to warn the public about GMOs. My conclusion is **YES**, it is the toxic **GMO food** along with living in a **toxic environment** full of chemicals and toxins causing us to be sick, angry, and violent. Did you know that the **INSIDE** of most people's homes is 2 to 3 times more toxic than the **OUTSIDE?** This should not be but many buy toxic products to consume and use on their bodies so we can stop this **TOXIC TREND** just by **#GoingNatural** from head to toe.
