Hey Fam:

Disclosures Are Everywhere/3 Million New Pages Released

-They Made the Same Disclosures Twice: Trump is putting out all the info now as part of the disclosures, even though most of us, the Anons, Patriots, Truthers/Whistleblowers, had already seen it. They also said they needed to put everything out twice because of FREE Masonry – whatever that means.

The same topics that I have been reporting on since 2020 in my newsletters at www.CathyHarrisInternational.com are now everywhere – all over. It's on Telegram, Instagram.com, X.com, TikTok.com, YouTube.com, Facebook.com, etc., and even in the news. Not all of it is on TV, so many won't see this info until they release it on TV.

If you don't see it, it is because you don't want to see it, and remember, not everyone is supposed to see all the darkness. Many Earth Angels and Rainbow Children are not here to see all the darkness. On the other hand, many of the Rainbow Children will be the **"New Guardians of the Universe"** with their **Supernatural 'Superhero' Powers**.

Eventually, all the newsletters at www.CathyHarrisInternational.com, www.OneMillionClassrooms.com, and www.CathyHarrisSpeaks.com will disappear, so go back and read now. Again, some of the topics I had written about 3 or 4 times.

-Super Bowl Body Doubles/Actors: Bad Bunny was Executed for **'Crimes Against Humanity.'** The person playing Bad Bunny at the Super Bowl was Freddie Mercury. The person playing Ricky Martin was George Michael, and Amy Winehouse was playing Lady Gaga. They are all **#StillAlive**, and you can see the **'Alive List'** at www.DearCathy.com

-Over 3 Million Pages of New Info Released: Over 3 million pages of NEW INFO came out with the release of the Epstein files before the Super Bowl. Everyone is sifting through the papers, and many are reporting that it is worse than we thought.

For instance:
-There are hundreds of thousands of cults in the Jeffrey Epstein files.
-They had pregnant women lying on tables, and they feasted on the children as they were born. Don't forget the **'Satanists'** were **'Reptilians'**.

These are not all of the Epstein files. If it were all of the Epstein files, then it would mention that ALL THE ELITES that were eating the children ARE REPTILIANS.

-Alien Files Are About to Be Released: Trump has stated over the past two days that the Alien files are about to be released. Therefore, get ready for **Project Blue Beam**.

'LifeTouch' Photography Used Children's School Photos to Kidnap Them for Epstein Island

The same company, **'LifeTouch'**, has been taking school pictures for years, from the 1st to 12th grade. They also took pictures at other places like J.C. Penney. The Satanists were sitting down and selecting **SCHOOL PICTURES** of children to kidnap. This is how your children became missing. They selected children and sent in 4 or 5 adults to retrieve them.

It did not matter if the children came from well-to-do communities. If they wanted the children, they went for them. Many believe that because the owner of LifeTouch was on the Epstein list, many of the children stolen were also taken to Epstein Island. Most children went missing through the CPS and Foster care system.

This is why you need to keep your children offline for now. This LifeTouch revelation has caused many families to opt out of **school picture day** or even remove their children from public school and **#Homeschool**. Homeschooling conferences are happening now all over, so don't miss these events. The Child Roblox (and Discord) Suicides

According to the 3 million pages released, there are 46,000 cults WATCHING your children on Roblox. You have to get your children off these online games and off the internet, period, until things can be cleaned up. Roblox is an online game platform and game creation system developed by Roblox Corporation that allows users to program and play games created by themselves or other users. It was created by David Baszucki and Erik Cassel in 2004 and released to the public in 2006.

-How Boys Ages 12 to 17 Are Committing Suicide Because of Roblox: After the boys sent naked body part pictures to someone they thought was a young girl, they are then contacted by an adult telling them they will forward the pictures around their schools, causing the pre-teen and teenagers to commit suicide.

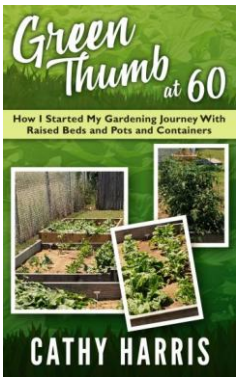
18-Year-Old Black Female Almost Trafficked at McDonald's Job Interview - #MinutesAwayFromDeath

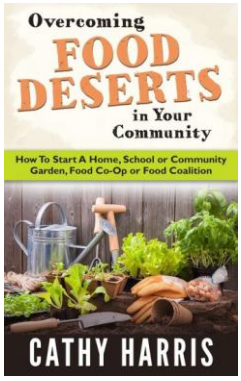
An 18-year-old went on a McDonald's interview, and they asked her if she had taken the **COVID SHOT** and if she was an **ORGAN DONOR**. After the interview, she called her mother to say she didn't think she got the job. Then she proceeded to go into the bathroom to wash her hands.

The next thing she remembers is that she said she was waking up in the back of a meat-packing truck. They must have blown the date rape drug in her face before she walked away, or handed her something with a knock-out drug on it. Her mother tried calling her back, but she did not answer, so she called the police, and they were able to see on video them putting her in the back of the truck.

Luckily, they were able to catch up to the truck and free her. The driver said he was just driving the truck and did not know she was in there. My God, she needs to do something good with her life because she was minutes from death. Had she gotten one of those police officers that day who did not want to do their job, her life would have been over.

How many more people do you think have been kidnapped from McDonald's just for going in for a job interview? They aren't going to close down these fast-food restaurants until families start growing their own food.





The sooner families start growing their own food or start community gardens, organic farms, farmer's markets, or grow food in and outside of their homes, the sooner they will close down these venues that serve **HUMAN MEAT**. Many are getting sick from eating **HUMAN MEAT**. Grow foods in raised bed gardens at www.VirtualOrganicGardenClubs.com.

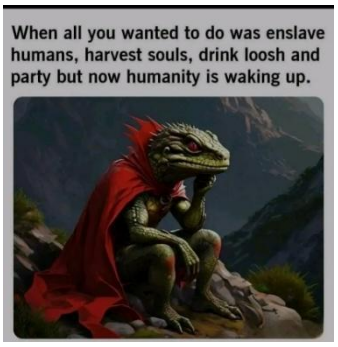
Be Careful of Stories Currently in the Media (#Loosh)

-Feeding On Your 'Loosh': Be careful of stories currently in the media. People are being distracted away from their dreams right now. This is when your intuition and gut feeling come into play to see if these stories are real or not. A lot of stories in the media are there so the Satanists, or Deep State minions, can feed off your **'loosh'**. They are feeding off the sadness and other emotions of people right now.

-Death of Three (3) Young Texas Brothers: When one family member dies, it's a tragedy, but when 3 family members die, and they are all young, it can be horrific. Everyone heard at the beginning of the snowstorm that 3 young brothers drowned in a frozen pond in Texas, but I saw pictures of the three brothers, and one was flashing the devil sign. So, did this even happen?

-Frozen on the Highway: When stories come off TV, they could possibly be False Flags, Psyops, Scams, and Hoaxes, but when they come from people's phones, they are probably true. When they said hunker down during the last freeze, they meant it, so why were people still on the road? During the cold, snowy weather, did you know families with children spent 2 days (48 hours) stuck in traffic on Interstate 10 going into Louisiana without any water, food, or blankets? Many almost ran out of gas. Why weren't they allowed to turn around, or were helicopters not allowed to bring in water, food, blankets, or gas?

-Arizona Traffic Cones: Every city or state has something different to feed off people's **'loosh.'** I even heard for them to feed off your 'loosh', in states like Arizona, construction workers are putting down traffic cones and making drivers sit in traffic for hours, when in fact there is **NO CONSTRUCTION** or danger ahead. Locals are saying they have witnessed this time and time again. Again, this is all done to feed off your **'loosh,'** so turn off the TV and be careful what you are watching.



-Truck Driver Runs Over 4 Black Women: I believe the story about the black women is true. Did you hear about the 4 black women who had driven from Texas to Colorado to console a friend after a death? On their way back home, they had a flat tire, and instead of pulling off the road, they chose to drive slowly in that last lane. A trucker who wasn't paying attention drove over the slow-moving vehicle, and they all were killed.

I saw the picture of the road, and they had plenty of room to pull over. If you know you have a flat tire, pull over immediately, but maybe they were in a 'no phone zone' and were afraid they would be trafficked. We have to make sure women and other young, inexperienced drivers know what to do in case of emergencies. Don't get on the road unless you have an **ACTION PLAN** in case of emergencies.

-Truck Drivers vs. 'Replicators': Once **'Replicators'** of all sizes are released, it will also cut down on the number of truck drivers on the road who could be **Serial Killers** and **Human Traffickers** because we will be able to **DUPLICATE** our own supplies or products. You will be able to build a **FREE Military Medical (#Med) Bed Center** or a **Healing Center** in 4 months, versus 1 to 2 years. Therefore, truckers won't be needed to haul supplies back and forth.

Over 2000 truckers have been taken off the road, which will cut down on **Human** and **Child Trafficking** (and **#SerialKillers**) with big trucks. In 2009, law enforcement established an initiative to monitor **Highway Serial Killers.** Therefore, law enforcement has known for some time that there were **Highway Serial Killers (#HumanTraffickers)** and what part of the country they were operating out of.

Read more on these **Highway Serial Killers** and **Human Traffickers** in the newsletter dated Jan. 26, 2026, entitled **"Et and Reptilian Disclosures are Now Mainstream"** - https://cathyharrisinternational.com/wp-content/uploads/2026/01/New-Earth-News-Jan-26.pdf

-Storytime: One young female had borrowed her grandmother's car to go and see her boyfriend in the next town over. As she was driving, a truck driver signaled to her that she had issues with the back of the car, so she eventually pulled over and stopped on the shoulder of the road. The truck driver pulled up behind her and sat in the front seat. There was traffic around them, but people are not usually looking at people on the side of the road.

She got out and looked at the back of the car and did not see anything, so she yelled to him, she did not see anything. He saw some memorabilia in the car, so he asked her if she went to a school, she replied no, "It was her grandmother's car."

Once he got out of the truck, he had his hand in his pocket. When he took his hand out of his pocket, he held a handkerchief that he was probably going to use on her face. It probably contained a **'knock-out' drug**. She saw what was happening, so she ran and got into her car, locked the door right before he reached her, and then she sped off in traffic.

When she reached her destination, she called the police, and they told her that several young women had been kidnapped from that very small exact spot and had never been seen again. Their cars were probably abandoned in that area. They wanted her to come into the police station and work with a police sketch artist to draw a picture of what the guy and his truck looked like.

Had she not been paying attention, she too would have been gone and would have been just another statistic**. #PayAttentionLadies**. Don't be in such a hurry to reach your destination. Instead, pay attention to your surroundings at all times.

Churches Will Be the Last To Be Taken Down

The very last topic will be churches. Over half of all Megachurches are now in bankruptcy or foreclosure, and crowds in these churches have thinned out. Wait until they find out that all the religions were heavily involved in Child Trafficking. As mothers complained to these FREE Masonry Reptilian pastors about their children, these were probably the ones that ended up missing.

-What You Should Know About Witches in Churches: Now we find out that Churches are full of (Bad) Warlocks and (Bad) Witches. This is why AlexCollier.org made the statement, "It was the **Matriarchs**, especially the **#ChristianWitches**, in families that forced women to go to church. They did this so they could lay hands on them and cause chaos and turmoil in their lives.

The women with the big hats in Churches are not only **'Narcissists,'** but they are also the bad 'Witches'. They put their hands on you in prayer to transfer their energy to you. They will increase their control over you by giving you things such as food, clothing, paintings, pictures, and other trinkets, so they can build a Spiritual Contract with you. They stay up late so they can use Astral Projection (#AstralTravel) to enter your home after 3:00 a.m. while you are sleeping and create more control over you. **#LeaveTheChurch**

People Are Losing It After Finding Out About the Children Being Eaten

#DracoReptilians

People are online hollering and screaming, saying things like, **"They are eating children. They were after the children."** People are losing it when they find out that the Elites were eating children for breakfast, lunch, and dinner. The Elites could literally order a **FULLY COOKED baby** and have it delivered to their homes – just like any food delivery order.

Now that everyone is going crazy over this news, many have yet to understand that the Elites are actually the 'Draco Reptilians'. When they find out it is the Reptilians that is actually eating children, this news is going to drive people mad.

Wait until they find out there are many, many Reptilians, and they could possibly be living with a Reptilian. Read the blog post **"Three (3) Reasons Men and Women are Saying They are Finished with Each Other"** www.CathyHarrisInternational.com/couples.

Prepare now by moving slowly into the 5D New Earth. Meditate daily, stay out in nature, and create **ACTIVE DIALOGUES** with your Spirit Team. You need to **#IsolateToElevate**. Keep raising your frequencies and vibrations. Read the blog post entitled **"How To Raise Your Frequencies and Vibrations"** at www.CathyHarrisInternational.com/FrequenciesandVibrations.

Michael Jordan Lost Fans Overnight After Touching a Child – Is sHe a Reptilian?

-New Shocking Video Exposes Michael Jordan at Daytona 500 for Touching a Child
https://www.youtube.com/watch?v=miCsjDONJLs&rco=1

In the middle of the Epstein Files coming out and all the revelations on what was happening to children, Michael Jordan's supporters believed he touched a child inappropriately at the Nascar event. Jordan had access to the child, so how do we know he wasn't grooming or touching the child behind the scenes? Many Jordan supporters said they **WILL NEVER SUPPORT** Michael Jordan or his products again.

-Tyler Reddick addressed Michael Jordan with his child at NASCAR's race after backlash. Remember, Michael Jordan is his boss. Over 90% of women never report Sexual Harassment from their superiors because of FEAR and potential backlash that they can receive. https://www.youtube.com/shorts/280_2mv5gik

History: I think three (3) things happened here…There are 3 things being exposed. Michael Jordan and NASCAR were being exposed. Jordan is being exposed as a **'Pedophile'** and a **'Reptilian'**. There were many NASCAR owners and drivers **'Gitmoed'** for **'Crimes Against Humanity,'** so the NASCAR industry was problematic.

-Michael Jordan Was Gitmoed: Many believe Jordan was indeed **'Gitmoed'** for **'Crimes Against Humanity,'** and that was **Kobe Bryant (#StillAlive)** playing him as a **Body Double/Actor** at the NASCAR race, so Michael Jordan can be taken off the scene. The **'Alive List'** is at **www.DearCathy.com**.

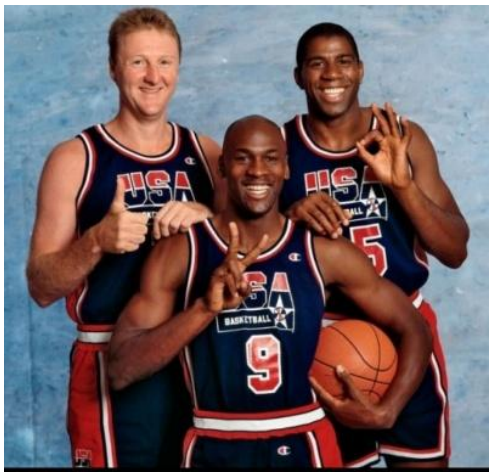
-Michael Jordan's Stretched Arm: Michael Jordan was a popular Basketball player because, according to Elvis from X.com, he was a **'Reptilian'**. **We know that animals or Reptilians (#Reptiles) can jump higher than humans.** Many of us who have been paying attention saw the picture and video of Michael Jordan's **ARM STRETCHING OUT** in the video when he was on the court, which would have been impossible for a regular human being.

-Space Jam: **They put it right in our faces. Remember the movie Space Jam?** Michael Jordan performed his iconic, cartoonishly stretched-arm dunk in the 1996 live-action/animation hybrid movie **Space Jam**. This memorable scene, which serves as the film's climax, features Jordan extending his arm across the court to secure a win for the Tune Squad. While the scene appears to be Jordan, reports indicate a stunt double was used for that specific shot.

-The Truth About Professional Ball Players' Inversions: According to those who break down Transgenders, over 90% (maybe more) of Professional Ball Players are inverted, (all the NFL are women), which means they are living the opposite sex. All of these groups have completed transgender breakdowns of Michael Jordan.

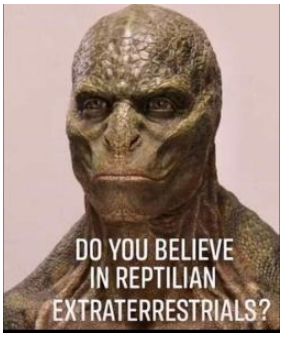
-Transgender Breakdown Groups:

-Transvest7770 on Telegram
-The Shills Have Lies on Instagram and YouTube
–Conscious X 777 on YouTube
–Bright Green Barbi on Instagram
–Transgenderism: The Bitter Truth on Facebook
–TRANSVESTIGATION on Facebook



There is no doubt that Michael Jordan (also Michael Johnson, Larry Bird, etc.) was born a female with his female skull, oval female face, and female body. His wife, who came from the modeling industry, where there are **ALL MEN**, is a man, so they are both inverted. More on the inversions at **www.DearCathy.com**. **All (3) three on the right are women.**

-The Truth About 'Shapeshifting' Ball Players: According to Ally, the young lady who was trafficked and named Diddy, Jay Z, and Denzel in lawsuits, some of the Professional Ball Players **ONLY HAVE ONE LEG**. However, because they are **Shapeshifters**, they can grow another leg.



There are several videos of Professional Basketball Players' hands and arms stretching out like **Shapeshifters** to make shots. So, are all Professional Basketball Players (and the NFL) shapeshifting Reptilians? Possibly.

-Storytime: **They put all of it in our faces.** Most of the Reptilians were hiding out in tunnels before being taken out by the New Military/Space Force. Remember the guy in Spider Man that **LOST HIS ARM**? I believe his name was Dr. Curt Connors. He used **Reptile DNA Regeneration** to turn into a Reptilian so you would be able to **REGROW HIS ARM**.

WATCH THE MOVIE CLIP – See how Dr. Curt Connors grew his arm back and how the Reptilian grew his tail back
https://www.google.com/search?q=Spider+Man+Dr.+Curt+Coonors&rlz=1C1UEAD_enUS1112US1112&oq=Spider+Man+Dr.+Curt+Coonors&gs_lcrp=EgZjaHJvbWUyBggAEEUYOTIICAEQABgWGB4yCAgCEAAYFhgeMggIAxAAGBYYHjIICAQQABgWGB4yCAgFEAAYFhgeMggIBhAAGBYYHjIKCAcQABgIGA0YHjIKCAgQABgIGA0YHjIKCAkQABgIGA0YHtIBCDg1OTZqMGo3qAIAsAIA&sourceid=chrome&ie=UTF-8#fpstate=ive&vld=cid:bb6769d4,vid:AnxopmfFB3I,st:0

Spider Man was trying to figure out how to get him because he was hiding out in the tunnels. The cold slowed him down, and the high-pitched frequencies, **like bells**, drove him crazy. **Again, bells can drive Reptilians crazy. This is why all the bells were removed from society.**

Reptilians Are Showing Up Everywhere

-The History of the Reptilians: The **New Military/Space Force** (aka **"The Good Military"**) had been battling the Reptilians here on Earth in their underground bases (#Tunnels) for years. The Reptilian races have been dead or expelled from Earth, except the **Reptilian Hybrid Humanoids**. We, especially our children, were their food. Reptilians kept babies (children) terrified, and the Elites, especially Movie Stars, extracted adrenochrome from their blood to stay young or because it gave them an LSD-like high.

The Illuminati (FREE Masonry rich families) still want to keep our frequencies low (3D 'Matrix' 'low-vibrational') by keeping us scared, confused, and sticking to the old religious beliefs. There are some **Reptilian Hybrid Humanoids** among us. Many are starting to see these because of the high frequencies and the veil being lifted, especially those in relationships with them.

The Illuminati are the ones that 'must' and have been dealt with. Many in our U.S. and local legislative branches were loyal to the Illuminati but the swamp has been drained, so most are gone and/or replaced with body doubles/actors.

4D will be informative (training) and healing. 5D will be preparing for higher levels. Our lord Yeshua's teachings had to do with frequencies. It's hard for most people to understand what is happening because they are so attached to time and things of the 3D 'Matrix' Earth.

-Couples Are in Relationships With Reptilians: Remember not everyone know that they are a Reptilian. Because the veil is now lifted, it's official, many of the women said they were indeed involved with a Reptilian. They said when their mates, significant others, partners, or spouses got mad at them, not only did their eyes turn black, but their heads became elongated, and the nose got longer to the point they could see all the way down their nostrils.

One lady said that when her mate started **morphing** or **shapeshifting,** she turned away until the **morphing** or **shapeshifting** stopped, then she went on like normal. One lady said her brother's eyes turned black in front of her. What will you do when this happens to someone you love or a family member, friend, neighbor, or colleague turns into a Reptilian right in front of you? Prepare now because it is coming. Eventually, everyone will see the Reptilians before moving into the 5D frequencies.

The Narcissists that I discuss in the blog post entitled **"Narcissists Run the 3D Matrix"** www.CathyHarrisInternational.com/Narcissists are for sure **'Reptilians.'** Also read, **"Three (3) Reasons Why Men and Women are Saying They are Finished with Each Other"** https://cathyharrisinternational.com/couples/

1. Because they are becoming 'Spiritual'.
2. Because now they know about the **'Narcissists'**.
3. Because they have witnessed their mates, significant others, partners, and spouses **Morph** or **Shapeshift** into a Reptilian. **#ReadTheArticle**

-Storytime: One lady is online telling her story about when she used a dating app and then met a guy out for dinner. She said the dinner was okay, but she said it was something about him that she could not put her hands on. After the date, she kept telling her girlfriend that something was going on with him.

However, she still ended up out with him on two (2) more dates. On the 3rd date, she ended up at his home. She said she felt very uneasy about going to his home. When she got there, he yelled from the back for her to come in. She entered and said that since he had dirty dishes in the sink, she started washing the dishes.

When he came into the room, he gave her a hug from the back, but she turned around and made the statement, “There is something about you, so tell me the truth.” He replied, “Okay, let’s sit down on the couch. When they sat down on the couch, he shook his head really fast, then he turned into something.

Of course, we know he was a ‘Reptilian’, but she was afraid to tell us what she saw. She said all she could think about was how to get out of there. She told him she wanted to leave, and he allowed her to leave. She later said there are things out here that are NOT HUMAN. Again, many of these Reptilians aren’t dangerous. However, many are cruel and mean, just like **‘Narcissists’**, who lack empathy. These are the ones you need to walk away from and go **#NoContact**.

-Storytime: One lady said every time she got around her boyfriend, she would feel weak. She said she could barely get up to go to work. All she wanted to do was lie in bed all day. He was siphoning her energy because he was either a **‘Narcissist’** and/or **‘Reptilian’** or a **‘Narcissist Reptilian.’** This is what they do. Again, read the blog post entitled **“Narcissists Run the 3D Matrix”** www.CathyHarrisInternational.com/Narcissists.

-Storytime: Remember the Narcissists, like **‘Warlocks’** can siphon your energy just like the Reptilians. One lady said that as soon as her boyfriend got home, she would become too weak to continue to do anything. He told her, outright, but jokingly, that he was siphoning her energy. He was joking around, but he was also telling the truth.

-Storytime: A lady said that when she and her boyfriend took photos together, her boyfriend’s eye, just one eye, had a slit in it. He tried to explain it as a flash issue, but she said she is now afraid to be with him.

-Storytime: One guy said his girlfriend’s eye color was always changing or doing something different, so it made him too uncomfortable to be with her, so they broke up. She was probably a Reptilian.

-Storytime: One lady said that when she and her boyfriend were having sex, his face was morphing back and forth into something or someone else. This is when most women see the dark eyes when they are upset or during sex. She said they eventually broke up, and weeks later, she met another guy who did not look anything like the last guy.

But she said when they were making love, his face morphed back into her old boyfriend, so she said the new guy might have been her old boyfriend. She was just confused. Supposedly, these people are fallen angels, which means they can shapeshift into other people – I believe.

What is Happening with 'Snake-A-Way' and Humanoid Reptilians?

-Storytime: A guy and his next-door neighbor went out on a Saturday to buy some **'Snake-A-Way'** (Nature's Mace Snake Mace, Snake Repellent Granules for Yard, Outdoor Use, Keep Away Reptiles, Home, Garden, Granular Deterrent, Plant Friendly, Pet Safe, Fast Acting…) from a local Tractor store.

When they got home and put it all around both their properties, one guy had literally gotten some on his clothes. They had to return to the Tractor store to buy something else, so the guy did not have time to change clothes.

When they were standing in line, a guy behind him started sneezing and coughing. He obviously had a reaction to the **'Snake-A-Way'** or 'Snake Repellant' on his clothes. Then half of his face started shifting into a 'Reptilian'. They both saw it, and so did the female cashier, who ran off to the back because she did not want to wait on him.

The two men took their packages and went out to the car, and the guy who was turning into a Reptilian ran out in panic and pleaded with the two men not to tell anyone. He said, "Please, please, please don't tell anyone. I am just trying to live like you." However, one guy told the story, and he said he had seen the guy before. He said the guy held a prominent position in a local courthouse. So, understand that Reptilians are everywhere. You might not see them because they might not be on your timeline.

-Storytime: I also heard another story of how this lady spilled **'Snake-A-Way'** on her boyfriend, and he started to shift into a Reptilian. When this gets out, many will be using this product to test to see if their mates, significant others, partners, and/or spouses are actually Reptilians, especially with Spring and Summer right around the corner.

All you have to do is put it around the perimeter of your yard to keep snakes away, but if you mate, significant other, partner, or spouse, start sneezing, coughing, morphing, or shapeshifting, then they are a Reptilian.

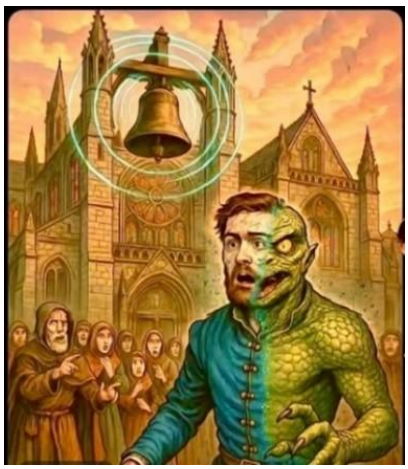
Two (2) Ways The Reptilians Will Disappear

#Bells, #HighFrequencyNewEarth (and #SnakeAWay)

After my last newsletter entitled **"ET and Reptilian Disclosures Are Now Mainstream"** https://cathyharrisinternational.com/wp-content/uploads/2026/01/New-Earth-News-Jan-26.pdf -- I also meant to include how to get rid of the Reptilians. Remember the BELLS.

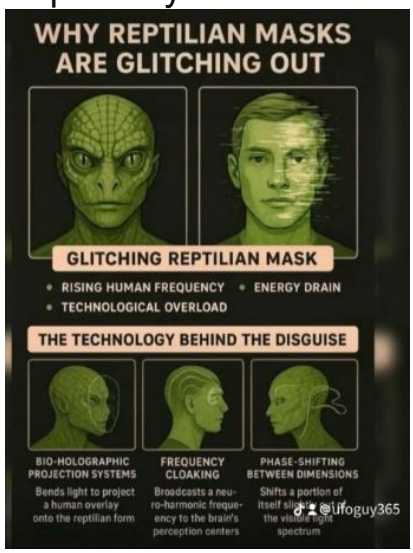
Everything has been a lie.

Make peace with it and know the truth is coming.



The Reptilians can't stand the bells (small or large). With the return of the bells, it will be able to get rid of the Reptilians. Again, bells can drive Reptilians crazy. This is why all the bells were taken out of society. Don't wait for churches to bring back bells because many churches will be closing because they were **HEAVILY INVOLVED** in **Child Trafficking**.

Also, with the Earth shifting into the 5D the Reptilians will disappear. You can start using bells (small or large) now and putting them around your property. They drive Reptilians crazy, and bells can also remove any potential spell put on you.



Again, you are seeing the Reptilians because the veil has been lifted, and all the high energies coming in are causing them to **glitch** making them **MORPH** or **SHAPESHIFT** back into a Reptilian. They won't be able to accompany us to the 5D New Earth. I can't say for sure what will happen to your loved ones who are Reptilians that you don't want to let go of, but in many cases, these should be the ones you let go of, especially if they are not radiating love, peace, joy, and happiness.

-Door Chimes Can Also Be Bells: Door chimes can be traditional, physical bells that produce sound via a striker, or modern, digital, and magnetic units that create tones. They are often used interchangeably to indicate someone is at the door, with options ranging from classic brass bells to electronic, app-connected chimes.

-Expert on Reptilians – Credo Mutwa: I know my revelation on Reptilians had to shock some of you. This is Credo Mutwa…the foremost expert on Reptilians. This is where DavidIcke.com and Michel Tellinger got all their info on Reptilians.
